# Hurricane Whirls Toward Gulf Coast

## *100,000 Set To Flee Betsy*

NEW ORLEANS (AP) — A great exodus from lowlying coastal areas shaped up today as Hurricane Betsy, fresh from an attack on Florida, advanced on the Gulf Coast.

Over 100,000 residents were expected to pack cars and trailers today and head out of south Louisiana and east Texas, away from possible killer tides and 140-mile-an-hour winds.

The Weather Bureau urged them to evacuate as soon as possible before escape routes were cut off by rising waters.

The bureau hoisted emergency hurricane warnings at 6 a.m. from the mouth of the Mississippi River west to Galveston, Tex.

However, Betsy's exact target remained uncertain. The storm—described as fast moving, big and dangerous — has proved itself unpredictable.

The Weather Bureau said the mostly likely landfall for the hurricane's center was western Louisiana and the extreme upper Texas coasts.

The multibillion - dollar offshore oil industry — 4,800 oil wells and drilling platforms, some of them 100 miles from land—were evacuating and battening down. All possible equipment had headed for inland waters. About 3,000 oil workers had been moved to safety.

At 8 a.m. the Navy located the center of Betsy about 235 miles southeast of the mouth of the Mississippi River. She was moving west-northwest at 18 miles an hour.

The trickle of evacuees started at Cameron, the little town in western Louisiana near the Texas border, where Hurricane Audrey killed 500 people in June 1957. Most of them died in surging tides which swept the coastal area.

Betsy left most of the Miami-Fort Lauderdale - Florida Keys area without power and with ruined crops, flooded homes.

No quick damage estimate was possible but it was expected to run at least $100 million.

Three lives also were lost. This was considered a relatively light toll in view of the 6-foot tides, second only to the record 10-foot tides of 1926 that ended Florida's great land boom.

While Betsy was more of a destroyer than a killer, it did not appear the damage would match that of last year's hurricane, Cleo, which also hit southern Florida.

But the Bahamas, where communications had been knocked out since Sunday, reported heavy property losses as reports came in from the Out Islands, to Nassau, capital of the archipelago.

Exclusive clubs of the very rich on Eleuthera and Nassau's New Providence were struck hard. But no one was reported killed in the Bahamas although the hurricane's center had lain just off the shore of New Providence for over 12 hours.

Nassau's shops, which live off the spending of American tourists, were without electricity but were opened for business. Damage there was estimated at $500,000.

Betsy took all Wednesday to pass over the tip of the Florida peninsula. The high onshore winds pushed six-foot tides over low-lying areas, swamping Miami's posh Key Biscayne with its expensive villas under three feet of water.

Three barges broke loose and made the only causeway to the island impassable. Amphibious trucks were used to rescue the several hundred stranded residents who finally agreed officials had been right when they advised them to leave before the storm.

"The water came down this street like the Mississippi River on a rampage," said one resident.

Down along the chain of sandspits that are the Florida Keys, several of the islets were completely immersed. At Sugar Loaf Key 15 miles north of Key West, water was up to the rooftops. Key West was flooded up to five feet in places and several

## Chou Blasts India Attack On Pakistan

### Claims It Couldn't Have Been Done Without U.S. Okay

TOKYO (AP) — Communist China's Premier Chou En-lai today condemned "India's massive armed attack on Pakistan" and said it could not have been done without the consent and support of the United States.

Chou again declared Communist China's firm support for Pakistan and warned "the Indian government that it must bear full responsibility for all the consequences arising from its extended aggression."

Chou, however, stopped short of saying Red China would provide any form of concrete assistance to Pakistan. His remarks were made at a reception in Peking at the North Korean Embassy and relayed by Peking Radio.

Chou told the gathering marking the 17th anniversary of the founding of Communist North Korea:

"U.S. imperialism stops at no evil. Recently, India has launched a massive armed attack on Pakistan and Pakistan has risen up in resistance.

"The fighting is daily extending in scale. Thus a struggle between aggression and anti-aggression is unfolding beside China."

Closest Penetration To Chinese Frontier

## *U.S. Planes Bomb Bridge 17 Miles From Red China*

SAIGON, South Viet Nam (AP)—U.S. military spokesmen announced today that American warplanes bombed a bridge 17 miles south of Red China's border with North Viet Nam. It was their closest penetration toward the Chinese frontier in the Vietnamese war.

The spokesmen said four F105 Thunderchiefs damaged the railroad bridge in the raid Wednesday and pounded two other bridges 25 and 30 miles south of the border.

The area, about 140 miles northwest of Hanoi, is an important transportation center leading to the North Vietnamese capital. U.S. pilots are trying to disrupt a railroad in the area and last month bombed within 30 miles of Red China twice.

In the ground war, U.S. Marines and Vietnamese troops continued their giant sweep to clear the Viet Cong from the Batangan peninsula.

Reports from the three-day-old operation 20 miles south of Chu Lai said 148 Viet Cong had been killed, 38 captured and 100 suspects detained.

Although between 5,000 and 6,000 troops were taking part, American and Vietnamese casualties were described as light.

No other major ground activity was reported, but a U.S. Army helicopter crashed in the Mekong Delta 100 miles south of Saigon, and all members of its crew were reported killed.

The Batangan offensive was aimed at smashing a reported Communist buildup in the area 330 miles north of Saigon.

The Marines made the biggest strike Wednesday when they blew up a tunnel and killed 66 uniformed Viet Cong.

The Leathernecks discovered the underground maze after a Viet Cong sniper they were pursuing ducked into an opening.

The Marines planted a TNT charge, but before they touched it off, two Viet Cong emerged from the tunnel and surrendered. They were followed by two women believed to be Viet Cong nurses.

Entering the tunnel after the blast, the Americans found it littered with the bodies of Viet Cong wearing field packs, loaded cartridge belts and other combat equipment.

## Pakistanis Say Indians Are Stopped

### India Claims Its Forces Advancing In Both Sectors

**BULLETIN**

**NEW DELHI, India (AP) — Indian and Pakistani troops fought heavy engagements on two new fronts in northern and southern Pakistan today. India claimed 75 Pakistani tanks — all American made — were destroyed in a 24-hour period.**

NEW DELHI, India (AP) — Indian and Pakistani troops battled today on two new fronts in northern and southern Pakistan and a Pakistani spokesman asserted both Indian drives had been stopped cold.

India claimed its forces were advancing on both fronts, in the Sialkot sector in the north and in the Gadra area 600 miles to the south in southeast Pakistan where it launched invasions Wednesday.

However, the tenor of the Indian Defense Ministry statement indicated India had gone on the defensive in the Lahore sector, 60 miles south of Sialkot.

A Pakistani army spokesman said Pakistani forces had pushed "a lot of miles" into India.

A Pakistani government spokesman claimed that Indian army, navy and air operations had been brought to "a standstill" and Pakistani forces had made "tactical gains on all fronts including Lahore." He said Pakistan's armed forces had "stabilized" their positions on all fronts.

The Indian Defense Ministry reported "fierce fighting" was in progress in the "Lahore sector." An announcement said 17 Pakistani tanks had been destroyed in the past 24 hours and that the Pakistanis have been

3 More Clubs Hit

## *State Police Raid Again In 'Strip'*

Following up Tuesday night's raids and acting once again without the knowledge of Hancock County authorities, West Virginia state police Wednesday night raided three more clubs, two of them on the notorious "Strip," arrested six persons and confiscated at least 14 bottles of whisky and various gaming devices.

Troopers from the Weirton detachment and one from Wellsburg hit the Cacuts Bar and Win Place and Show Club on Route 30 and the Club Daily Double on Route 66. The raids occurred about 8 p. m.

—:—

**THE TROOPERS** entered the places on search and seizure warrants issued by Squire Thomas Bellanco of Weirton.

Troopers arrested James D. Burns, 26, of Newell, licensee at the Cactus Bar, and Jane Easterday, 21, of Chester, waitress.

Burns pleaded "no contest" and was fined $150 and costs by Squire Belanco on charges of possession of gambling equipment and illegal possesion of whisky.

He also signed a waiver for the destruction of a "Sweet Sixteen" electric clock and two metal number strips seized by the troopers.

Miss Easterday, who also pleaded "no contest", was fined $50 and costs for the illegal sale of whisky.

—:—

**AT THE** Win Place and Show Club, troopers arrested John D. Gillis, 58, the licensee, and George J. Morris, 50, bartender, both of Chester.

Gillis also was fined $150 and costs on the same two charges and Moore drew a fine of $50 and costs. Both also pleaded "no contest."

Gillis also signed a waiver for destruction of a "Sweet Sixteen" clock.

Mrs. Josephine R. Zagula, 45, of New Cumberland, licensee, and Miss Elva J. Green, 30, of Chester, waitress, were arrested at the Club Daily Double

## Rhodes Picks Cloud To Fill Auditor Post

### Goble Resignation Accepted; Will Be Effective Sept. 20

COLUMBUS, Ohio (AP) — Roger Cloud, Ohio House Speaker, has been appointed state auditor by Gov. James A. Rhodes.

Rhodes announced the appointment today and said he had accepted the resignation of Chester W. Goble, effective Sept. 20. Goble has been auditor for 10 months on an interim basis, since the death of Roger Tracy.

Cloud, Republican from Degraff, Logan County, was speaker during five sessions of the general assembly. His term as auditor runs until January 1967 and Rhodes said Cloud will seek a full four-year term next year.

Commenting on the resignation of Goble, Rhodes said:

"Following the untimely death of Roger Tracy last year, I asked General Goble to conduct the office of state auditor until the right man could be found. The general agreed to serve on a temporary basis and has done an outstanding job. I thank him and compliment him."

The appointment of Cloud was no surprise. He has been mentioned as a possible successor to Goble since adjournment last week of the 106th General Assembly.

Rhodes said of the new appointee, "Roger Cloud has done an outsatanding job as an eight-term member of the Legislature. His dedication to the people of Ohio is legend."

Goble is a former Ohio Adjutant General.

## *Cities Given Cabinet Spot In New Law*

WASHINGTON (AP) — President Johnson signed into law today legislation creating a new Department of Housing and Urban Affairs and called it "a wise, just and progressive measure for all America."

Speaking before a large group of mayors, members of Congress and other officials in the White House flower garden, Johnson said the legislation is the first step toward organizing our system for a more rational response to the pressing challenge of urban life."

Johnson delayed announcement of his selection to head the new department which will be the 11th Cabinet post.

Speculation has centered on Robert C. Weaver, director of the Housing and Home Finance Agency which is the core of the new department.

If Weaver is appointed and confirmed by the Senate he would be the first Negro ever to serve in a president's Cabinet.

The President hasn't even hinted at his choice, however, and others have been mentioned in rumors, among them Robert F. Wagner, who is not seeking re-election as mayor of New York, and Albert Rains, an Alabama Democrat who specialized in housing legislation while a member of the House.

May Stir India Border Trouble

## Red China Intervention In War Termed Possible

By JOHN M. HIGHTOWER
AP Special Correspondent

WASHINGTON (AP) — U.S. officials take seriously the possibility that Communist China may intervene in the India-Pakistan war to the extent of stirring up border trouble on India's northeast frontier.

The Chinese purpose, it is believed here, would be to demonstrate support for Pakistan and thus encourage that country to break its alliances with the United States and other Western powers and move into the Red Chinese orbit.

Pakistan is a member of the U.S.-backed Central Treaty Organization alliance in the Middle East and the Southeast Asia Treaty Organization. Pakistan's chief allies, the United States and Britain, are, like the Soviet Union, pursuing middle-of-the-road policies in the India-Pakistan conflict and concentrating their efforts on trying to get a cease-fire.

China already has come out squarely on Pakistan's side and its public declarations in recent days have developed an increasingly tougher tone toward India.

On Aug. 27 the Chinese Reds issued a long series of charges of border violations by Indian troops on the Chinese frontier. Two days ago China accused India of aggression against Pakistan and declared it was strenghening its own China-India border defenses.

Wednesday the Chinese released a note to the Indian government charging four Indian boundary violations in July and five in August and linking them to the "aggression" against Pakistan.

The note said the incidents occurred "at a time when the Indian government was carrying out armed suppression against the people of Kashmir and unleashing and expanding its armed aggression against Pakistan."

Such statements could be used by the Chinese Communist leadership to provide a political base for military action against India at any time U.S. officials, however, do not now foresee any large-scale Red Chinese attack on India. They do not think China would consider such action, with all the risks involved of igniting a major Asian war, to be in its own interests.

## *Democratic Organization Plans Drafted*

AKRON, Ohio (AP)—Forty of the state's 88 Democratic county chairmen have agreed to form a statewide organization to work in next year's elections.

At a meeting here Wednesday night, State Chairman William Coleman said he would send letters of recommendation to the 48 who failed to attend. They were all invited.

In support of the program, Coleman said: "I like to see activity, and any activity channeled in the right direction is healthy for the party. We had such an organization several years ago, but it sort of fell by the wayside."

Don Gosney, Columbiana County chairman in charge of the meeting, said a steering committee would try to help select Democratic candidates, but would not limit selection to a single candidate. He said the group would not discuss candidates before its next meeting Oct. 16 in Columbus.

Hugo Alexander, Jefferson County chairman from Steubenville, said a chairmen's organization is needed because there is no place on a statewide basis where county chairmen can be heard.

Enrollment Brings Change

## Kent State Center Slated To Use Westgate School

The new Kent State University Academic Center here will hold evening classes at Westgate Junior High School instead of at the senior high school as originally planned, John Hedrick, director, announced today.

The unexpected size of enrollment in some classes has created a need for larger classrooms, Hedrick said, and the East Liverpool board of education Wednesday authorized the change.

Hedrick said the size of some of the individual classrooms at the high school is inadequate, but said the center plans to utilize the high school building in the future when modifications can be made.

Plans call for Kent to use the high school when the new East Liverpool high school along Maine Blvd. is completed.

Hedrick said use of the Westgate building will be only temporary until the present high school is vacated and enlargement of some of the classrooms can be undertaken.

A total of 245 students is now enrolled for the Kent courses, which will begin Sept. 22, and there are more students expected, Hedrick added.

There will be six afternoon classes held at the IBOP building on W. 6th St. and 18 evening classes at Westgate.

All students enrolled will have mailed to them next week the information about classes, schedules, instructors and other materials, Hedrick said.

Deadline for late registration of students who have pre-enrolled but have not paid fees or tuition is Sept. 18 at noon.

### Grand Jury's Report Scheduled Next Week

LISBON — The Columbiana County September Grand Jury was reported on schedule today with its investigation of criminal charges presented by County Prosecutor Warren Bettis.

However, Bettis said the panel's report is not expected to be completed until early next week. Nearly 25 cases are under study by the jury for which Hershcel Barnes of Lisbon R. D. 2 is foreman. The panel convened Tuesday.

### Hancock To Receive $75,800 From Taxes

Hancock County will receive $75,800 in property taxes from public utilities during the first half of 1965.

It is part of the $9,838,450 in property taxes collected throughout West Virginia during the period and mailed to counties and municipalities Wednesday from the office of State Auditor Denzil Gainer at Charleston.

Among the cities, Weirton will receive $9,450.

Nearby Brooke County's share of the total will be $75,150.

Kanawha County received $1,324,500, the largest amount sent to any county.

### Hanoverton Requests Ballot On Police Levy

Hanoverton village filed a resolution today with the County Election Board, seeking a vote at the general election Nov. 2 on a new 2-mill levy to furnish funds for police protection. The measure would be in effect five years.

The Hanoverton issue raises to 30 the number filed by local subdivisions for the general election. It also is the last the Election Board expects, based on a list of anticipated propositions.

November ballots will list 33 special issues in all, as three statewide propositions were certified earlier by Secretary of State Ted W. Brown at Columbus.

### Hearing Under Way On Pickets At Track

A hearing was under way today before Hancock County Circuit Judge Ralph Pryor on whether an injunction limiting the number of pickets at Waterford Park race track should be revoked.

Officials of Teamsters Local 412 filed a petition in August asking revocation of the injunction.

The local is attempting to organize pari - mutuel clerks, maintenance men and other track employes.

## *1,500 Slated To Take Part In 4-H Rally*

LISBON — More than 1,500 county youths are expected to participate in a 4-H rally Monday at 6:30 p.m. at the county fairgrounds.

Included in the activities will be announcing of the honor club award winners, with gold, silver and bronze ribbons being presented.

A brief candlelight ceremony involving each 4-H'er will conclude the festivities.

A campfire program, with a community sing, also will be featured.

Arrangements have been made to use the Floral Hall in case of inclement weather. The 4-H'ers are asked to bring blankets to sit on.

Officials at the Cooperative Extension Office say the program is designed to kick off the new 4-H year and to stir increased interest in activities.

Pakistan is a member of the U.S.-backed Central Treaty Organization alliance in the Middle East and the Southeast Asia Treaty Organization. Pakistan's chief allies, the United States and Britain, are, like the Soviet Union, pursuing middle-of- the-road policies in the India-Pakistan conflict and concentrating their efforts on trying to get a cease-fire.

China already has come out squarely on Pakistan's side and its public declarations in recent days have developed an increasingly tougher tone toward India.

On Aug. 27 the Chinese Reds issued a long series of charges of border violations by Indian troops on the Chinese frontier. Two days ago China accused India of aggression against Pakistan and declared it was strenghening its own China-India border defenses.

Wednesday the Chinese released a note to the Indian government charging four Indian boundary violations in July and five in August and linking them to the "aggression" against Pakistan.

The note said the incidents occurred "at a time when the Indian government was carrying out armed suppression against the people of Kashmir and unleashing and expanding its armed aggression against Pakistan."

Such statements could be used by the Chinese Communist leadership to provide a political base for military action against India at any time U.S. officials, however, do not now foresee any large-scale Red Chinese attack on India. They do not think China would consider such action, with all the risks involved of igniting a major Asian war, to be in its own interests.

### Hancock To Receive $75,800 From Taxes

Hancock County will receive $75,800 in property taxes from public utilities during the first half of 1965.

It is part of the $9,838,450 in property taxes collected throughout West Virginia during the period and mailed to counties and municipalities Wednesday from the office of State Auditor Denzil Gainer at Charleston.

Among the cities, Weirton will receive $9,450.

Nearby Brooke County's share of the total will be $75,150.

Kanawha County received $1,324,500, the largest amount sent to any county.

### Hanoverton Requests Ballot On Police Levy

Hanoverton village filed a resolution today with the County Election Board, seeking a vote at the general election Nov. 2 on a new 2-mill levy to furnish funds for police protection. The measure would be in effect five years.

The Hanoverton issue raises to 30 the number filed by local subdivisions for the general election. It also is the last the Election Board expects, based on a list of anticipated propositions.

November ballots will list 33 special issues in all, as three statewide propositions were certified earlier by Secretary of State Ted W. Brown at Columbus.

## *Democratic Organization Plans Drafted*

AKRON, Ohio (AP)—Forty of the state's 88 Democratic county chairmen have agreed to form a statewide organization to work in next year's elections.

At a meeting here Wednesday night, State Chairman William Coleman said he would send letters of recommendation to the 48 who failed to attend. They were all invited.

In support of the program, Coleman said: "I like to see activity, and any activity channeled in the right direction is healthy for the party. We had such an organization several years ago, but it sort of fell by the wayside."

Don Gosney, Columbiana County chairman in charge of the meeting, said a steering committee would try to help select Democratic candidates, but would not limit selection to a single candidate. He said the group would not discuss candidates before its next meeting Oct. 16 in Columbus.

Hugo Alexander, Jefferson County chairman from Steubenville, said a chairmen's organization is needed because there is no place on a statewide basis where county chairmen can be heard.

### Hearing Under Way On Pickets At Track

A hearing was under way today before Hancock County Circuit Judge Ralph Pryor on whether an injunction limiting the number of pickets at Waterford Park race track should be revoked.

Officials of Teamsters Local 412 filed a petition in August asking revocation of the injunction.

The local is attempting to organize pari - mutuel clerks, maintenance men and other track employes.

### Enrollment Brings Change

## Kent State Center Slated To Use Westgate School

The new Kent State University Academic Center here will hold evening classes at Westgate Junior High School instead of at the senior high school as originally planned, John Hedrick, director, announced today.

The unexpected size of enrollment in some classes has created a need for larger classrooms, Hedrick said, and the East Liverpool board of education Wednesday authorized the change.

Hedrick said the size of some of the individual classrooms at the high school is inadequate, but said the center plans to utilize the high school building in the future when modifications can be made.

Plans call for Kent to use the high school when the new East Liverpool high school along Maine Blvd. is completed.

Hedrick said use of the Westgate building will be only temporary until the present high school is vacated and enlargement of some of the classrooms can be undertaken.

A total of 245 students is now enrolled for the Kent courses, which will begin Sept. 22, and there are more students expected, Hedrick added.

There will be six afternoon classes held at the IBOP building on W. 6th St. and 18 evening classes at Westgate.

All students enrolled will have mailed to them next week the information about classes, schedules, instructors and other materials, Hedrick said.

Deadline for late registration of students who have pre-enrolled but have not paid fees or tuition is Sept. 18 at noon.

## *1,500 Slated To Take Part In 4-H Rally*

LISBON — More than 1,500 county youths are expected to participate in a 4-H rally Monday at 6:30 p.m. at the county fairgrounds.

Included in the activities will be announcing of the honor club award winners, with gold, silver and bronze ribbons being presented.

A brief candlelight ceremony involving each 4-H'er will conclude the festivities.

A campfire program, with a community sing, also will be featured.

Arrangements have been made to use the Floral Hall in case of inclement weather. The 4-H'ers are asked to bring blankets to sit on.

Officials at the Cooperative Extension Office say the program is designed to kick off the new 4-H year and to stir increased interest in activities.

# House OK's $4 Billion In Foreign Aid

WASHINGTON (AP) — A $4-billion foreign aid appropriation has cleared the House after administration forces beat back Republican moves to withhold help from India and Pakistan.

Such a cutback would invite Communist China to enter the war on Pakistan's side, Democrats argued before passing the bill on a 239-143 roll call vote late Wednesday and sending it to the Senate.

Besides, administration supporters said, the State Department already has announced a suspension of military aid to the battling countries and said no economic help will be given without consultation with congressional leaders.

## Change In Hours Set For Revenue Office

A change in hours at which taxpayers may obtain assistance at the East Liverpool office was announced today by Frank S. Turbett Jr., Cleveland district Internal Revenue director.

Effective immediately, the East Liverpool IRS office at 132 E. 5th St. will be open each Thursday from 8:15 a. m. to 5 p. m., Turbett said.

Glenn Sprowls, administrative representative at the local office, said the charge will provide longer hours for county residents to obtain advice about federal taxes.

The former hours from 1 to 5 each Friday afternoon no longer will be in effect, he said.

# Raid

(Continued from Page 1)

where the officers confiscated five bottles of liquor and several metal numbers strips.

The women posted $500 property bonds each for hearings Saturday before Squire Bellanco.

Last night's raids brought to seven the number of clubs raided by state police in a 48-hour period. The Hilltop Inn, Jade Lounge, Lantern Inn and Club Sands were the targets Tuesday night when troopers confiscated 64 bottles of liquor and seven slot machines.

# House OK's $4 Billion In Foreign Aid

WASHINGTON (AP) — A $4-billion foreign aid appropriation has cleared the House after administration forces beat back Republican moves to withhold help from India and Pakistan.

Such a cutback would invite Communist China to enter the war on Pakistan's side, Democrats argued before passing the bill on a 239-143 roll call vote late Wednesday and sending it to the Senate.

Besides, administration supporters said, the State Department already has announced a suspension of military aid to the battling countries and said no economic help will be given without consultation with congressional leaders.

## Change In Hours Set For Revenue Office

A change in hours at which taxpayers may obtain assistance at the East Liverpool office was announced today by Frank S. Turbett Jr., Cleveland district Internal Revenue director.

Effective immediately, the East Liverpool IRS office at 132 E. 5th St. will be open each Thursday from 8:15 a. m. to 5 p. m., Turbett said.

Glenn Sprowls, administrative representative at the local office, said the charge will provide longer hours for county residents to obtain advice about federal taxes.

The former hours from 1 to 5 each Friday afternoon no longer will be in effect, he said.

where the officers confiscated five bottles of liquor and several metal numbers strips.

The women posted $500 property bonds each for hearings Saturday before Squire Bellanco.

Last night's raids brought to seven the number of clubs raided by state police in a 48-hour period. The Hilltop Inn, Jade Lounge, Lantern Inn and Club Sands were the targets Tuesday night when troopers confiscated 64 bottles of liquor and seven slot machines.

## Youth For Christ Rally To Be Held

The first rally of the school term for Columbiana County Youth for Christ will be held Saturday at the Potters Savings and Loan Annex.

It is scheduled from 3:30 to 5 p.m, the meeting time being advanced to permit members to attend the East Liverpool-Beaver Local football game at night.

Included in the program will be "Quiz Olympics," a new-style YFC contest.

Loren Hooker will be the teen speaker. Gold cup trophies will be awarded for schools with the best attendance.

Chuck Taylor, an all America football guard for Stanford in 1942, now is the university's athletic director.

# District Rally Of Moose Set

The East Liverpool drill team and the Canton degree team will be in charge of class enrollment ceremonies when Moose lodges from the 15th District hold a two - day convention at Warren Saturday and Sunday.

William O'Connell of Youngstown, vice president of the district, will be in charge, assisted by all newly - elected officers.

An Executvie Board meeting will be held Sunday at 1 p. m., with the regular meeting and class enrollment to follow at 2:30.

There will be a dance and entertainment Saturday night at the Warren lodge, with a buffet lunch.

Dinner will be served at 6 on Sunday.

## The More We Get Together . . .

That the world in a sense is getting smaller and smaller becomes more evident almost daily.

Another case in point—the visit to The Review Tuesday of three African youths who are in the U.S. to further their education on a higher level under one of the various exchange programs which find Americans going abroad and those who live abroad coming here.

Thirty years ago a visit such as that of Tuesday would have been cause for intense interest, excitement and wonderment. Today it is accepted almost matter of fact.

It's not that we aren't happy to have our foreign visitors as guests. For we most certainly are, and we hope they enjoy meeting and talking with us as much as we do with them. It's just that such things have become commonplace to the point where they fail to trigger the excitement and interest they once did.

We feel it's a healthy situation. It indicates that we're getting together more and more and shrinking the boundaries that once marked off strange and faraway places.

The more we get together, the more we exchange viewpoints, the more we learn each other's customs, the greater the hope for broader understanding and peace among nations.

## Relief In Sight

Shadyside Ave. residents who have fought vigorously, hard and long—including the young girl who turned directly to the White House—appear finally to be making progress in their efforts to have their narrow roadway widened and improved.

East Liverpool City Council and the Columbiana County commissioners have agreed to share 50-50 in the cost of launching much-needed improvements.

Because of various circumstances and unexpected obstacles which spring up from time to time, projects of this type generally hold many headaches before a final course of action is arrived at. Shadyside Ave. has had it share of such headaches. Fortunately, however, relief appears in sight.

The primary concern now should be to see that the job is done properly and that it meets the demands of the situation. Additional headaches at a later date would not be welcome.

## Time To Mess With Mr. In-Between

## Military Consumer Goods

The U.S. State Department announces it will cut off military aid to India and Pakistan, to show them it does not approve of what they are doing with U.S.-supplied weapons.

This will have the same effect as a threatened slap on the wrist.

With the weapons already on hand, both republics will be able to do all the damage they feel like doing. Neither could fight a large-scale war under any circumstances, unless their differences triggered a war between major powers.

But even small-scale war opens the ticklish question of whether the United States should be in the munitions traffic. Military consumer goods supplied by this generous government have been a source of great trouble.

Munitions supplied to Nationalist China were captured and used to good advantage by the revolutionaries who overthrew Chiang Kai-shek.

Munitions supplied to Cuba were used to chop up the Bay of Pigs invasion intended to free Cuba from its Communist masters.

The Viet Cong in South Viet Nam has carried on its depredations largely with U.S. arms and ammunition wrested from inept South Vietnamese forces.

And now U.S. weapons are being pitted against U.S. weapons by both sides in the resurgence of an Asiatic holy war that has raged for many years and will rage indefinitely.

The excuse is that if the United States does not furnish implements of destruction, someone else will.

Wouldn't it be easier to bear in the long run if someone else did? Britain always has had munitions for sale, sometimes to its deadliest enemies. The munitions business has many ruthless practitioners.

But the United States cannot even qualify as a merchant of death. It gives weapons away, then deplores the result when the beneficiaries use them like any other consumer goods.

## Let's Roll Out The Carpet

The Oct. 4 visit of Pope Paul VI will be made officially to the United Nations, only unofficially to the United States.

This is going to be hard to comprehend, but the difference between official and unofficial visits is hard to comprehend in any circumstances.

An official visit entails rolling out the red carpet officially, with long speeches, formal meetings, multi-course dinners and protocol. An unofficial visit entails rolling out the red carpet unofficially, with shorter speeches, informal meetings, on-the-run meals and good manners.

It is essentially the difference between having the neighbors drop over for a cookout on short notice and inviting them two weeks ahead of time for a sit-down meal in the dining room. The cookout is more natural and usually more enjoyable.

Pope Paul VI will be in New York informally next Oct. 4 in the course of speaking to the United Nations.

We hope the red carpet that will be rolled out for him unofficially will be as satisfactory as if it had been rolled out officially by Secretary of State Rusk with President Johnson making the welcoming speech. It isn't every day the United States sees a Pope, not even unofficially.

## Your Money And Your Life

William R. Morris, Ohio superintendent of insurance, says 37 states have increased rates this year and other states are expected to raise rates soon.

Ohio rates will go up another 11 per cent on top of a 10 per cent rise a year ago. The cause is more accidents and larger claims.

The cure would be fewer accidents and lower claims, neither of the two likely to happen if current trends continue.

Safety promotions for auto drivers save both lives and money.

More careful driving by more drivers with more skill could eliminate millions of dollars' worth of auto damage claims resulting from collisions, many trivial in nature but costly in repairs.

Every settlement of a damage claim is a drain on the reserves of an insurance company. As drivers learn to their consternation, even a minor collision can run into a three-digit repair bill.

Out of this has grown the deductible policy, to spare insurance companies the first $50 of cost and thereby keep premiums from getting out of the reach of ordinary insurees.

The bitter tragedy is that most claims come from a small minority of auto operators, though most reserves come from the premiums of prudent drivers who may and often do spend a lifetime of safe driving without claiming any of the insurance funds they have paid in.

I wish the wheels who run our national affairs would quit trying to make us believe they reflect the composite will of the people. It is my considered belief that no such thing as a composite will exists.

Whatever happens to all the vacation people you were going to send postcards to—the ones who said they would keep in touch with you, too?

I am encountering many people who prefer not to talk about Viet Nam because they cannot make sense of the situation there and one of them turns out, not to my surprise, to be me.

Everything is relative, including the depth of snow. I was shown a building in Paradise Valley, Glacier National Park, where the snow last winter was 52 feet deep. That makes the six-foot-deep drifts that customarily form in our lane seem trivial—super-trivial but still trivial.

Speakers used to pull the stops at commencement tie, but in recent years commencement oratory has tapered off. The oratorical crescendo now is reached at the beginning of the school year, when the idea is to fire up a gung-ho spirit among teachers and pupils.

I wonder why I never have been involved in or been at the scene of an auto accident. This has given me the impression that accidents happen only to other people, which I realize is a dangerous way to think.

## Hall Clashes With State Department

By Victor Riesel

At a recent off-the-record, and still unreported, conference of some of the highest government officials, an influential labor leader bluntly accused the State Department of refusing to cooperate in efforts to slash the flow of material to the Ho Chi Minh forces.

Victor Riesel

In some labor circles, the confrontation is dubbed "the drama of Room 5855." It was there in the Commerce Department Building during the afternoon of Aug. 6, that the accusation was made by Paul Hall, leader of the powerful Maritime Trades Department AFL-CIO.

Hall, a towering, blondish man, bluntly told Secretary of Commerce John Connor and others of cabinet rank in the secret conference room that he had an official State Department letter which proved his charge.

**WITH ACID** dripping from his voice, the leader of 400,000 unionized waterfront men, referred to a communication dated June 9, dispatched by Douglas MacArthur II, assistant secretary of state for congressional relations. The letter angered Hall because it decried efforts to halt the run of free world ships into North Vietnamese ports.

For months now Hall and his colleagues have been pressuring Congress to pass a bill introduced by Rep. Paul Rogers, D-Fla., which would prohibit the transportation of cargo from U.S. ports by vessels controlled by foreign interests which permit their ships to be used in trade with North Viet Nam, Red China and Cuba.

This would extend to the enemy in Asia the official U.S. boycott of ships now affecting only Cuba.

**RARELY HAS** such criticism of the State Department came from labor's ranks. How blunt the charge is can be seen from the following excerpt from the secret minutes taken at the session of the President's Maritime Advisory Committee.

"It seems to us that this proposed legislation certainly should have commended the support of our State Department, particularly in view....of the President's position constantly on television, radio and in the press, on this terrible situation that has developed and is developing," exhorted Hall. "Yet interestingly enough the same State Department, whose voice we hear at this table, now refused to endorse this measure and instead they sent a letter to the House Merchant Marine Committee, where they stated that the cargoes carried by these ships to North Viet Nam were 'non-strategic' in nature. . . ."

**HALL THEN** added that it was difficult for him and his followers "not only as seamen but as American citizens to understand this position of our State Department."

I have examined the letter to which Hall refers. His reference is accurate.

At this point, Secretary of Commerce Connor urged Hall not to embarrass him by further references to the State Department. Its representative, however, said the State Department could stand the "abuse."

Hall then made a reference to Arthur Schlesinger Jr.'s book which does not talk favorably of Secretary of State Rusk. Mr. Connor urged Hall not to review the book at the conference. To which Hall who is also a national AFL-CIO vice president replied:

"No, I'm not particularly an admirer, of Mr. Schlesinger either as a public servant or an author."

To which Mr. Connor said "No comment." But this was preceded by Hall's saying:

"I think it is quite proper that the members of this committee, who may not all be familiar with the position of the State Department in relationship to international shipping and in relation further to the enemies of this country, that this committee is entitled to know something of the background of the State Department and its action in this entire field. . . ."

**NOTE WELL** the exchange at this closed door parley. It's the background for a showdown fight between the powerful labor leaders and "State." Hall, whose influence in labor's high command is exceptionally strong, plans to bring the matter up at the next AFL-CIO Executive Council meeting. This is scheduled for Sept. 20, in New York City.

Hall, who is president of the Seafarers' International Union, will ask the council to endorse the House "boycott-Hanoi" bill. It will undoubtedly do so and then go to President Johnson for support.

Their argument will hinge on the discovery that since Jan. 1, 83 "allied nation" ships have carried more than one million tons of cargo to the Ho Chi Minh government.

The waterfront labor men want these ships, and any other vessels which are part of the same foreign merchant fleets, barred from U.S. ports.

They will argue that the least "our allies" can do is to stop making blood money out of the enemy of the U.S. while profiting from America's open port policy.

## Odd Facts

The U. S. government operated without a formal budget system for more than a hundred years. President William H. Taft submitted the first federal budget to Congress in January 1912, but it was ignored. It was not until 1921 that the National Budget and Accounting Act was passed, providing for an annual federal budget.

## Society Exonerated

By David Lawrence

### Hoover Cites Responsibility Of Criminals

J. Edgar Hoover, director of the FBI, probably knows more than anybody else what's causing crime to increase throughout the nation. He keeps in close touch with social officials and police in all areas, and certainly is able to form a judgment as to whether recent disturbances have been due primarily to "sociological" factors. Hence, his latest message—published in the September issue of the FBI about hoodlums and riots is particularly significant.

David Lawrence

Mr. Hoover does not accept the explanation—frequently offered even in the administration—that the disorders can be blamed on the failures of society. He says:

"It appears that the public is beginning to gag on the steady sociological diet of excusing the conduct of teen-age hoodlums because 'society has failed them.' Resort communities racked by senseless riots and citizens who cannot venture from their homes without being assaulted and beaten are getting fed up with pampered and insolent youth gangs. . . .

"Meanwhile, the question puzzling most people is what caused the principles and morals of some of our youth to degenerate to near animal level. Recognizing the problem comes much easier than its solution. However, of all the factors involved, I'm convinced one of the most damaging is the false teaching which tends to blame society for all the frustrations, woes and inconveniences, real or imaginary, visited upon our young people.

**"TEEN-AGERS** and their parents have been subjected to a foolhardy theory which condones rebellious conduct against authority, law and order, or any regulatory measures which restrict their whims, wishes, desires and activities. This astonishing belief has spread into the schoolroom, the living room, the courtroom and now into the streets of our nation in the form of wild, drunken brawls.

"No doubt society has failed our youth, but not in the way many seem to think. Rather, the dereliction has been in the failure to teach them the meaning of discipline, restraint, self-respect and respect for law and order and the rights of others. Consequently, the lesson now is both painful and costly."

Mr. Hoover did not discuss specifically the riots which have developed out of racial friction but confined himself to the misbehavior of teen-agers generally. There are, however, many people, inside and outside the government, who feel that to blame society for the recent disturbances is a convenient excuse and overlooks the fact that criminal elements have taken advantage of the racial controversy.

**JUST A FEW DAYS** ago, William H. Parker, chief of the Los Angeles Police Department, revealed that many persons who participated in the recent riots in California were veteran criminals. He said:

"We processed 2,500 of those arrested and found that 76 per cent of them had criminal records prior to the riot. . . There were 26 of these people on parole at the time they were arrested."

Most police officers are unhappy about the attitude of the courts in letting criminals go free. Indeed, FBI Director Hoover, in his message in the Law Enforcement Bulletin, makes a comment on this point, too. He says:

"Some courts in the troubled areas are taking a more realistic approach in handling those involved in these outbreaks. New laws providing stiffer penalties are being enacted in a few places. We can only hope that authorities everywhere will follow this trend."

There is no doubt that the emphasis on police brutality has been stirring up hostility toward law enforcement and at the same time provoking considerable criticism from those responsible for the arrest and punishment of criminals.

**JUDGE** Norman Elkington of the California Superior Court, in sentencing an ex-convict to life imprisonment a few days ago, lashed out at the attention given to allegations of police brutality. The prisoner—described by the judge as "the most vicious criminal" he had ever seen—had claimed that his civil rights were violated by brutality on the part of the two arresting officers, and the charges had been investigated by the Department of Justice. The judge asked:

"How should a policeman disarm a desperate criminal coming at him with a knife? Are there some sporting rules he must follow, such as allowing the assailant to draw first blood?"

One college professor, in a paper presented to the American Sociological Association convention in Chicago last week, even advocated that policemen should carry no weapons. The theory is that disarming them would improve their public image and reduce antagonisms.

Law enforcement is being made more and more difficult despite the fact that the crime wave now is disturbing American life more than at any other time in history.

## Red China's Strategy

By James Marlow

WASHINGTON

In the years ahead the Red Chinese may sorely regret their recent outline for world revolution.

It gives leaders of the non-Communist world a justification for action against revolutions and undermines the case of those opposing intervention. For example, Viet Nam.

With the Chinese blueprint in mind Secretary of State Dean Rusk Tuesday night said the Communist world's common strategy is to win control of Asia, Africa and Latin America and thus strangle the Atlantic world.

His evidence, if he needed any, is Red China's strategy as given last week in a long article by Marshal Lin Piao, minister of defense and one of the top men around Mao Tze-tung, chairman of the Chinese Communist party.

Marshal Lin said the Vietnamese war demonstrates that a "people's war" in Asia, Africa or Latin America can be waged successfully against the United States. But Red China has Western Europe in mind as a necessary target, too.

Boiled down, the argument goes like this:

The people of Asia, Africa and Latin America may not have the weapons possessed by the United States and its Western allies but, if they have the will to win, they can. But how?

The fight should be made by the people of the countryside against the cities. In the end the Western world is the city and the people of the rest of the world are the countryside.

Thus, according to this thinking, the United States and Western Europe, bit by bit, revolution by revolution, can be encircled and destroyed.

While Marshal Lin suggests that the Soviet Union, now treated with contempt by Red China, is opposed to the kind of people's war he has in mind, Rusk thinks the Soviet Union's ultimate aims are the same as Red China's.

He said the only real difference between those two worlds of communism is how "to get on with the world revolution."

The Red Chinese dismiss as inconsequential the penalties of war by saying "temporary suffering is repaid by lasting or even perpetual peace and happiness."

This, of course, is the unreal, Utopian dream that if the world was full of nothing but Communist nations there would be no war even though the Soviet Union and Red China already are good examples of how Communist nations don't get along.

Lest anyone doubt Red China would get involved in these worldwide revolutions, the marshal says:

"As for the revolutionary wars waged by the oppressed nations and peoples, so far from opposing them, we invariably give them firm support and active aid."

After that statement how could an American president, if he was reluctant to intervene in a Latin-American revolution, right in this country's backyard, be sure it was not fomented and assisted by Red China?

Rusk said he hoped a successful defense of South Viet Nam will help to change Red China's judgement.

The letter angered Hall because it decried efforts to halt the run of free world ships into North Vietnamese ports.

For months now Hall and his colleagues have been pressuring Congress to pass a bill introduced by Rep. Paul Rogers, D-Fla., which would prohibit the transportation of cargo from U.S. ports by vessels controlled by foreign interests which permit their ships to be used in trade with North Viet Nam, Red China and Cuba.

This would extend to the enemy in Asia the official U.S. boycott of ships now affecting only Cuba.

**RARELY HAS** such criticism of the State Department came from labor's ranks. How blunt the charge is can be seen from the following excerpt from the secret minutes taken at the session of the President's Maritime Advisory Committee.

"It seems to us that this proposed legislation certainly should have commended the support of our State Department, particularly in view . . . of the President's position constantly on television, radio and in the press, on this terrible situation that has developed and is developing," exhorted Hall. "Yet interestingly enough the same State Department, whose voice we hear at this table, now refused to endorse this measure and instead they sent a letter to the House Merchant Marine Committee, where they stated that the cargoes carried by these ships to North Viet Nam were 'non-strategic' in nature. . . ."

**HALL THEN** added that it was difficult for him and his followers "not only as seamen but as American citizens to understand this position of our State Department."

I have examined the letter to which Hall refers. His reference is accurate.

At this point, Secretary of Commerce Connor urged Hall not to embarrass him by further references to the State Department. Its representative, however, said the State Department could stand the "abuse."

Hall then made a reference to Arthur Schlesinger Jr.'s book which does not talk favorably of Secretary of State Rusk. Mr. Connor urged Hall not to review the book at the conference. To which Hall who is also a national AFL-CIO vice president replied:

"No, I'm not particularly an admirer, of Mr. Schlesinger either as a public servant or an author."

To which Mr. Connor said "No comment." But this was preceded by Hall's saying:

"I think it is quite proper that the members of this committee, who may not all be familiar with the position of the State Department in relationship to international shipping and in relation further to the enemies of this country, that this committee is entitled to know something of the background of the State Department and its action in this entire field. . . ."

**NOTE WELL** the exchange at this closed door parley. It's the background for a showdown fight between the powerful labor leaders and "State." Hall, whose influence in labor's high command is exceptionally strong, plans to bring the matter up at the next AFL-CIO Executive Council meeting. This is scheduled for Sept. 20, in New York City.

Hall, who is president of the Seafarers' International Union, will ask the council to endorse the House "boycott-Hanoi" bill. It will undoubtedly do so and then go to President Johnson for support.

Their argument will hinge on the discovery that since Jan. 1, 83 "allied nation" ships have carried more than one million tons of cargo to the Ho Chi Minh government.

The waterfront labor men want these ships, and any other vessels which are part of the same foreign merchant fleets, barred from U.S. ports.

They will argue that the least "our allies" can do is to stop making blood money out of the enemy of the U.S. while profiting from America's open port policy.

## Let's Roll Out The Carpet

The Oct. 4 visit of Pope Paul VI will be made officially to the United Nations, only unofficially to the United States.

This is going to be hard to comprehend, but the difference between official and unofficial visits is hard to comprehend in any circumstances.

An official visit entails rolling out the red carpet officially, with long speeches, formal meetings, multi-course dinners and protocol. An unofficial visit entails rolling out the red carpet unofficially, with shorter speeches, informal meetings, on-the-run meals and good manners.

It is essentially the difference between having the neighbors drop over for a cookout on short notice and inviting them two weeks ahead of time for a sit-down meal in the dining room. The cookout is more natural and usually more enjoyable.

Pope Paul VI will be in New York informally next Oct. 4 in the course of speaking to the United Nations.

We hope the red carpet that will be rolled out for him unofficially will be as satisfactory as if it had been rolled out officially by Secretary of State Rusk with President Johnson making the welcoming speech. It isn't every day the United States sees a Pope, not even unofficially.

## Your Money And Your Life

William R. Morris, Ohio superintendent of insurance, says 37 states have increased rates this year and other states are expected to raise rates soon.

Ohio rates will go up another 11 per cent on top of a 10 per cent rise a year ago. The cause is more accidents and larger claims.

The cure would be fewer accidents and lower claims, neither of the two likely to happen if current trends continue.

Safety promotions for auto drivers save both lives and money.

More careful driving by more drivers with more skill could eliminate millions of dollars' worth of auto damage claims resulting from collisions, many trivial in nature but costly in repairs.

Every settlement of a damage claim is a drain on the reserves of an insurance company. As drivers learn to their consternation, even a minor collision can run into a three-digit repair bill.

Out of this has grown the deductible policy, to spare insurance companies the first $50 of cost and thereby keep premiums from getting out of the reach of ordinary insurees.

The bitter tragedy is that most claims come from a small minority of auto operators, though most reserves come from the premiums of prudent drivers who may and often do spend a lifetime of safe driving without claiming any of the insurance funds they have paid in.

## Society Exonerated

By David Lawrence

### Hoover Cites Responsibility Of Criminals

J. Edgar Hoover, director of the FBI, probably knows more than anybody else what's causing crime to increase throughout the nation. He keeps in close touch with social officials and police in all areas, and certainly is able to form a judgment as to whether recent disturbances have been due primarily to "sociological" factors. Hence, his latest message—published in the September issue of the FBI about hoodlums and riots is particularly significant.

David Lawrence

Mr. Hoover does not accept the explanation—frequently offered even in the administration—that the disorders can be blamed on the failures of society. He says:

"It appears that the public is beginning to gag on the steady sociological diet of excusing the conduct of teen-age hoodlums because 'society has failed them.' Resort communities racked by senseless riots and citizens who cannot venture from their homes without being assaulted and beaten are getting fed up with pampered and insolent youth gangs. . . .

"Meanwhile, the question puzzling most people is what caused the principles and morals of some of our youth to degenerate to near animal level. Recognizing the problem comes much easier than its solution. However, of all the factors involved, I'm convinced one of the most damaging is the false teaching which tends to blame society for all the frustrations, woes and inconveniences, real or imaginary, visited upon our young people.

**"TEEN-AGERS** and their parents have been subjected to a foolhardy theory which condones rebellious conduct against authority, law and order, or any regulatory measures which restrict their whims, wishes, desires and activities. This astonishing belief has spread into the schoolroom, the living room, the courtroom and now into the streets of our nation in the form of wild, drunken brawls.

"No doubt society has failed our youth, but not in the way many seem to think. Rather, the dereliction has been in the failure to teach them the meaning of discipline, restraint, self-respect and respect for law and order and the rights of others. Consequently, the lesson now is both painful and costly."

Mr. Hoover did not discuss specifically the riots which have developed out of racial friction but confined himself to the misbehavior of teen-agers generally. There are, however, many people, inside and outside the government, who feel that to blame society for the recent disturbances is a convenient excuse and overlooks the fact that criminal elements have taken advantage of the racial controversy.

**JUST A FEW DAYS** ago, William H. Parker, chief of the Los Angeles Police Department, revealed that many persons who participated in the recent riots in California were veteran criminals. He said:

"We processed 2,500 of those arrested and found that 76 per cent of them had criminal records prior to the riot. . . There were 26 of these people on parole at the time they were arrested."

Most police officers are unhappy about the attitude of the courts in letting criminals go free. Indeed, FBI Director Hoover, in his message in the Law Enforcement Bulletin, makes a comment on this point, too. He says:

"Some courts in the troubled areas are taking a more realistic approach in handling those involved in these outbreaks. New laws providing stiffer penalties are being enacted in a few places. We can only hope that authorities everywhere will follow this trend."

There is no doubt that the emphasis on police brutality has been stirring up hostility toward law enforcement and at the same time provoking considerable criticism from those responsible for the arrest and punishment of criminals.

**JUDGE** Norman Elkington of the California Superior Court, in sentencing an ex-convict to life imprisonment a few days ago, lashed out at the attention given to allegations of police brutality. The prisoner—described by the judge as "the most vicious criminal" he had ever seen—had claimed that his civil rights were violated by brutality on the part of the two arresting officers, and the charges had been investigated by the Department of Justice. The judge asked:

"How should a policeman disarm a desperate criminal coming at him with a knife? Are there some sporting rules he must follow, such as allowing the assailant to draw first blood?"

One college professor, in a paper presented to the American Sociological Association convention in Chicago last week, even advocated that policemen should carry no weapons. The theory is that disarming them would improve their public image and reduce antagonisms.

Law enforcement is being made more and more difficult despite the fact that the crime wave now is disturbing American life more than at any other time in history.

## Red China's Strategy

**By James Marlow**

WASHINGTON — In the years ahead the Red Chinese may sorely regret their recent outline for world revolution.

It gives leaders of the non-Communist world a justification for action against revolutions and undermines the case of those opposing intervention. For example, Viet Nam.

With the Chinese blueprint in mind Secretary of State Dean Rusk Tuesday night said the Communist world's common strategy is to win control of Asia, Africa and Latin America and thus strangle the Atlantic world.

His evidence, if he needed any, is Red China's strategy as given last week in a long article by Marshal Lin Piao, minister of defense and one of the top men around Mao Tze-tung, chairman of the Chinese Communist party.

Marshal Lin said the Vietnamese war demonstrates that a "people's war" in Asia, Africa or Latin America can be waged successfully against the United States. But Red China has Western Europe in mind as a necessary target, too.

Boiled down, the argument goes like this:

The people of Asia, Africa and Latin America may not have the weapons possessed by the United States and its Western allies but, if they have the will to win, they can. But how?

The fight should be made by the people of the countryside against the cities. In the end the Western world is the city and the people of the rest of the world are the countryside.

Thus, according to this thinking, the United States and Western Europe, bit by bit, revolution by revolution, can be encircled and destroyed.

While Marshal Lin suggests that the Soviet Union, now treated with contempt by Red China, is opposed to the kind of people's war he has in mind, Rusk thinks the Soviet Union's ultimate aims are the same as Red China's.

He said the only real difference between those two worlds of communism is how "to get on with the world revolution."

The Red Chinese dismiss as inconsequential the penalties of war by saying "temporary suffering is repaid by lasting or even perpetual peace and happiness."

This, of course, is the unreal, Utopian dream that if the world was full of nothing but Communist nations there would be no war even though the Soviet Union and Red China already are good examples of how Communist nations don't get along.

Lest anyone doubt Red China would get involved in these worldwide revolutions, the marshal says:

"As for the revolutionary wars waged by the oppressed nations and peoples, so far from opposing them, we invariably give them firm support and active aid."

After that statement how could an American president, if he was reluctant to intervene in a Latin-American revolution, right in this country's backyard, be sure it was not fomented and assisted by Red China?

Rusk said he hoped a successful defense of South Viet Nam will help to change Red China's judgement.

# Hancock Commissioners Briefed On Civil Defense

The Hancock County commissioners, meeting this week at the courthouse in New Cumberland, were brought up to date on Civil Defense activities by Andrew J. Kondik, CD director for the county.

Although activities during the month were somewhat curtailed due to vacation periods, Kondik said, he visited many city, county, state and federal units while traveling and found some "in very good condition" and others "in very poor condition."

He commended James Finley, William C. Graham and Jack Evans, the commissioners, "for their contributions and understanding in regard to Civil Defense, after comparing the Hancock County system with other units in the country."

At a recent state firemen's convention in Moorefield, W.Va., Kondik reported, the West Virginia Civil Defense director, Salis Starry, urged a closer relationship between Civil Defense units and firemen. Kondik emphasized that such a relationship is already very much in evidence in Hancock County.

Kondik announced a Civil Defense conference to be held in October at Wheeling in conjunction with the state and West Virginia University Civil Defense. He said he would inform elected county and city officials when he has complete information regarding the meeting.

The director reported progress in setting up classes and meetings regarding shelters, radiological monitoring and medical self - help in the county.

He also expressed a desire to personally attend the U. S Civil Defense council conference meeting Oct. 4-7 at the atomic testing site in Nevada, stating that the past director had represented the county previously at the meetings, and that he wished to continue the practice.

Following a motion by Evans, he was granted permission to do so.

In other action, the commissioners granted the yearly allotment of $500 to each of the nine fire departments in the county and $750 to the Hancock County Firefighters Association.

Mrs. L. H. Hill, representing the Animal Rescue Society, asked the court for the appointment of a humane officer to assist in prevention of cruelty to animals, following reports of instances where dogs, cats and horses have been mistreated.

The court agreed to ask the prosecuting attorney for information relating to the law and appoint the dogcatcher as the humane officer, if possible.

Effective Oct. 1, county employes will be paid 10 cents per mile for traveling expenses when using private vehicles. The present rate is 7 cents per mile.

A motion was passed expressing approval of a letter of intent suggested by the West Virginia Department of Commerce stating that Hancock County will cooperate in the SWATS regional comprehensive planning study.

It was announced that Kennedy Park will close Oct. 1

The next meeting of the commissioners will be Oct. 4.

# *Meeting Held By Teachers At Wellsville*

The Wellsville Teachers Association held a general meeting Tuesday at the high school auditorium prior to the opening of school Wednesday.

George Lawton, president, conducted business. Supt. Lowell Myers discussed laws improving the needs for children from low-income families and government aid to school libraries.

He also reviewed the building proposal and bond issue. New teachers were introduced by the building principals.

Prior to the meeting, the new teachers were feted at breakfast at Meade's Restaurant by members of the Board of Education. They then were taken on a tour of the city.

The teachers then reported to their buildings for meetings with the principals.

## Died In Viet Nam

WASHINGTON (AP) — The Defense Department has announced that Marine Lance Cpl. Allan R. Fischbach of Berea, Ohio, died in Viet Nam, but from other than combat causes. The announcement Wednesday did not elaborate.

The first around-the-world solo airplane flight was made in July of 1933 by Wiley Post, when he flew his "Winnie Mae" 15,596 miles around the world in seven days, 18 hours, 50 minutes.

# Dorothy Dandridge, Singer And Actress, Claimed At 41

HOLLYWOOD (AP)—Dorothy Dandridge, Negro singer-actress who found her way into show business almost as soon as she could talk, is dead at 41.

Her body was found Wednesday, clad in a light blue nightgown, in the bathroom of her apartment.

The coroner's office said intensive tests would be necessary to determine what ended a sometimes misfortunate career that reached its peak in the title role of "Carmen Jones" 10 years ago.

More recently the beautiful performer suffered financial reverses, although she continued to work, and the future appeared brighter. She had just returned from Mexico, where she signed for two films. Fitters were to have met her later in the day to prepare costumes for a nightclub engagement.

Sheriff's homicide Lt. David Hamilton said no foul play was indicated.

"It could have been either accidental or natural," he told newsmen.

Her manager for 14 years, Earl Mills, found her dead when he went to the apartment after she had failed to answer the phone.

## Condition Improved

CLEVELAND (AP)—The condition of Laurie Brown, 22-month - old daughter of Cleveland Indians infielder Larry Brown, was improved today in Southwest Community Hospital in Berea. The youngster was hit by a car Wednesday in a parking lot at the Browns' apartment in suburban Brook Park. She suffered a fractured skull and was in critical condition Wednesday.

## India Embassy Sacked By 500 Indonesians

JAKARTA, Indonesia (AP) — A mob of 500 Indonesians sacked the Indian Embassy today, charging India with aggression against Pakistan.

The mob broke into the unguarded embassy in downtown Jakarta and in half an hour destroyed all the furniture and broke all the windows in the one-story bungalow. The mob also destroyed three automobiles.

Security forces arrived 10 minutes after the mob left.

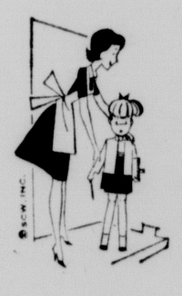
It's BACK-TO-SCHOOL TIME!
PLEASE DON'T HURT MY LITTLE GIRL . . .



Yesterday, my 7 year old daughter started back to school. She was primped up in a blue dress with white collar, blue gloves and black shoes. "Scoot", her spaniel whined, as she waved goodbye.

Last night, we talked about school. About the new girl with yellow curls, about the big girls who didn't believe in Santa Claus, about the teacher with eyes in the back of her head. We talked about many vital things, studied Reading and Spelling, then, off to bed.

She's asleep now, with her doll "Princess" cuddled in her arm. As her mother, I'm worried. You see, I can fix things when she cuts her finger or bumps her head. But when she's off to school, crossing streets, she's in YOUR hands. You won't hurt her, will you?

She's sweet, precious, and we love her so. Runs like a deer, active as a chipmunk. Likes to swim and go on hikes with her Daddy. But, we can't be with her all the time.

PLEASE help us look out for her. PLEASE Drive Carefully, slowly past schools and intersections. And PLEASE remember that children do run from behind parked cars.

*PLEASE DON'T HURT MY LITTLE GIRL!*

## Newlyweds Residing Here After Rogers Ceremonies

Miss Mary Jane Baker, daughter of Mr. and Mrs. Edgar W. Baker of Rogers, and Kenneth L. Crane, son of Mr. and Mrs. Milton O. Crane of Calcutta, were united in marriage the evening of Aug. 27 at 7:30 o'clock at the Rogers Methodist Church.

The Rev. Paul Sells officiated for the double - ring ceremony before an altar background of mums, palms, ferns and seven-branch candelabra. Miss Penny Hendricks presented a half-hour recital of organ music. Miss Patty Barnes sang "Because" and "Hand In Hand."

Given in marriage by her father, the bride wore a gown of peau de soie embellished in Swiss lace. The Empire - style bodice featured short sleeves. Appliques of the lace were used to accent the skirt. Her crown of seed pearls and crystals held a veil of silk illusion. She carried an arrangement of yellow rosebuds and white carnations centered with an orchid.

Miss Nancy King was maid of honor and Miss Maxine Klepher bridesmaid. They wore aqua gowns and matching, velvet blossomed headpieces and carried baskets of white carnations and yellow rosebuds.

Melton Crane served as his brother's best man. Ushers were Pfc. John Baker, brother of the bride, L. Edgar Hoffman and Dale Seachrist.

The mother of the bride was attired in blue with beige accessories, the bridegroom's mother in blue with white accessories and his grandmother in beige with matching accessories.

A reception for 150 followed in the social rooms, where Miss Stephanie Seachrist registered guests from East Palestine, Columbiana, Enon Valley, Lisbon, Cleveland, Barnesville and East Liverpool.

MRS. KENNETH CRANE
*Has Double-Ring Ceremony.*

The buffet table was covered with a white satin cloth, flounced with white maline and decorated with white carnations. The three-tier cake was topped with a miniature bridal couple and flanked by candelabra.

Aides were Mrs. Leona Rudibaugh, Mrs. Edna Dickey, Mrs. Elizabeth Brugh and Miss Rebecca Seachrist. Mrs. Marthanell Seachrist and Mrs. Sandra Hoffman, sisters of the bride, presided at the silver services.

The newlyweds are graduates of Beaver Local High School. The bride is employed at Newberry's in East Palestine and her husband at the Homer Laughlin China Co. in Newell.

Following a brief honeymoon, they are receiving friends at 759 Sophia St.

PLEASE DON'T HURT MY LITTLE GIRL...

Yesterday, my 7 year old daughter started back to school. She was primped up in a blue dress with white collar, blue gloves and black shoes. "Scoot", her spaniel whined, as she waved goodbye.

Last night, we talked about school. About the new girl with yellow curls, about the big girls who didn't believe in Santa Claus, about the teacher with eyes in the back of her head. We talked about many vital things, studied Reading and Spelling, then, off to bed.

She's asleep now, with her doll "Princess" cuddled in her arm. As her mother, I'm worried. You see, I can fix things when she cuts her finger or bumps her head. But when she's off to school, crossing streets, she's in YOUR hands. You won't hurt her, will you?

She's sweet, precious, and we love her so. Runs like a deer, active as a chipmunk. Likes to swim and go on hikes with her Daddy. But, we can't be with her all the time.

PLEASE help us look out for her. PLEASE Drive Carefully, slowly past schools and intersections. And PLEASE remember that children do run from behind parked cars.

*PLEASE DON'T HURT MY LITTLE GIRL!*

# 'Is Church Out Of Date?' Features Group Meeting

A discussion on "Is The Local Church Out Of Date?" accented the school days program presented by Mrs. H. Gene Toot during the coverdish dinner meeting of the Women's Association of the Trinity United Presbyterian Church Tuesday night in Hilbert Hall.

Presiding as teacher, she reviewed an article which appeared in "The National Observer" newspaper. In conducting the "arithmetic class," Mrs. Toot had the group figure the national, ecumenical and Christian education apportionments.

—:—

**OTHER PARTS** of the classroom studies included a Bible quiz, scavenger hunt for recess and the assigning of homework — study of the article "The Church Comes Alive in the Synod Of Ohio" appearing in the September issue of Presbyterian Life.

Mrs. Gordon Starkey conducted devotions on "The Beatitudes" and read a poem "School And God." The group sang "America," with Mrs. Leonard Kupchinsky accompanist.

In conducting "The Fellowship Of The Least Coin" ceremony, Mrs. Carl Porter explained the symbols on a penny and their association with the fellowship of women.

Mrs. Kupchinsky, president, announced the fall session of District 1 will be held Oct. 14 at the Longs Run Church. She mentioned the Charity Group will have charge of altar flowers for September and asked that the Executive Board meet Wednesday at the church to discuss the completion of the goal sheet.

—:—

**A REPORT** of the recent Prayer Retreat and the underprivileged children's camp at Beaver was given by Miss Hazel McShane.

Mrs. N. Rudolph Miller, world service department chairman, reported on the completion of the pajama project. She announced two quilts will be on frames and those desiring to work on them may call the committee, Mrs. James Sheets, Mrs. Curtis Garner and Mrs. Porter. She reminded the group of the book and attic sale set for November and that layettes be completed.

The unit voted to give monetary contributions, instead of canned goods, to the Youngstown Home as part of the "Ohio Presbyterian Homes" project.

Mrs. Dale Thornton, secretary, read the minutes. Mrs. Kupchinsky closed with "The Prayer of St. Francis of Assisi."

The buffet table was centered with an arrangement of spider mums. Garden flowers decorated the other tables. Mrs. Thomas Eason was in charge of arrangements. Mrs. Alma Hall of the Boyce Methodist Church was a guest.

Dedication of the year's projects will take place at the next session Nov. 2 at the church, with the Patience Group hostess unit.

# 'Open House' Set For Anniversary Of Lisbon Couple

LISBON — Mr. and Mrs. Clarence Robinson of W. Mrs. Verda Church of Weirton, district deputy president, installed officers during a meeting of Rock Springs Rebekah Lodge 244 Tuesday night in the IOOF Hall.

The officers are Mrs. Alice Yoho, treasurer; Mrs. Helen Champion, warden; Mrs. Hilda Allison, conductor, and Mrs. Ina McFarland, American color-bearer.

Mrs. Church was assisted by Mrs. Verna Ford of Weirton, deputy marshal.

Mrs. Maxine Burch, past noble grand, presided.

Committee reports were given.

Mrs. Church reported on the District 1 family picnic held last month and announced that the 1966 outing will be held at Tomlinson Run State Park.

Lunch was served to 22 by Mrs. Marjorie Jacobs and the committee.

The next meeting will be Sept. 21.

## Midland Society

*N. A. Nuzzo NE 4-2315*

Mrs. Eleanor Huzvak of Monaca, district deputy for Midland Court 653, Catholic Daughters of America, has resigned and Mrs. Estelle Cronin of Rochester has been appointed to the position.

The announcement was made by Mrs. Irene Duffy, grand regent, during the first fall session of Court Midland Tuesday night at the lyceum of the Presentation Church.

Plans were discussed for the participation of Court members in the annual church bazaar Sept. 14-16 on the church ground area. The group will supervise the refreshment stand.

Mrs. Dorothy Roman reported on mission projects. It was announced that the annual Diocesan C.D. of A. card party will be held Nov. 6.

The Court received invitations to activities of two other courts —Sept. 14 installation of officers of Court Monaca and Sept. 19 combined reception for new members of Courts Prince, Springdale and Tarentum at Natrona Heights.

Fr. Stephen Burdis, spiritual chaplain of the Court, spoke briefly. Mrs. Joseph Onuska and Mrs. Sullivan Tonti won special prizes.

The next meeting will be Sept. 20. Members who preside in the Ohio View area will be in charge of the social.

⁂ ⁂ ⁂

Cheerful Gleaners class of the Methodist Church will hold its first fall meeting Tuesday night at the home of Mrs. Millard Lindsay of Brighton Township. Mrs. Walter Montgomery of Beaver, president, will preside.

## Newell Society

*Mrs. J. D. Miller EV 7-2721*

"Missions" was the theme during a meeting of the WSCS of the Nessly Chapter Tuesday night in the Watson House on Route 66, with Mrs. C. M. Brenneman program chairman.

Following group singing, the Lord's prayer was repeated in unison.

Mrs. Brenneman presented a talk, "Missions in the Methodist Church".

The closing song, "Jesus Shall Reign," was sung by the group.

Mrs. William Duncan, who presided, announced that an invitation had been received to attend a meeting of the WSCS of the New Cumberland Methodist Church next Wednesday at the New Cumberland church.

Lunch was served by Mrs. H. L. Dunlevy and Mrs. Willis Duncan, hostesses.

The next meeting will be Oct. 5 at the Watson House.

⁂ ⁂ ⁂

Miss Betty Newton will speak and present a cooking demonstration for the Newell Homemakers Club at the Ohio Valley Gas Co. in East Liverpool Friday at 7:30 p.m.

## Local, Area Couple Conclude Motor Trip

Mr. and Mrs. Carlos C. Elkins of Industry and Mr. and Mrs. James Jenkins of East Liverpool have returned home following a motor trip through Maryland, Virginia and Washington, D.C.

They visited Elkins' brother and sister-in-law, Mr. and Mrs. Menice Elkins, in Baltimore.

# 'Is Church Out Of Date?' Features Group Meeting

A discussion on "Is The Local Church Out Of Date?" accented the school days program presented by Mrs. H. Gene Toot during the coverdish dinner meeting of the Women's Association of the Trinity United Presbyterian Church Tuesday night in Hilbert Hall.

Presiding as teacher, she reviewed an article which appeared in "The National Observer" newspaper. In conducting the "arithmetic class," Mrs. Toot had the group figure the national, ecumenical and Christian education apportionments.

—:—

**OTHER PARTS** of the classroom studies included a Bible quiz, scavenger hunt for recess and the assigning of homework — study of the article "The Church Comes Alive in the Synod Of Ohio" appearing in the September issue of Presbyterian Life.

Mrs. Gordon Starkey conducted devotions on "The Beatitudes" and read a poem "School And God." The group sang "America," with Mrs. Leonard Kupchinsky accompanist.

In conducting "The Fellowship Of The Least Coin" ceremony, Mrs. Carl Porter explained the symbols on a penny and their association with the fellowship of women.

Mrs. Kupchinsky, president, announced the fall session of District 1 will be held Oct. 14 at the Longs Run Church. She mentioned the Charity Group will have charge of altar flowers for September and asked that the Executive Board meet Wednesday at the church to discuss the completion of the goal sheet.

—:—

**A REPORT** of the recent Prayer Retreat and the underprivileged children's camp at Beaver was given by Miss Hazel McShane.

Mrs. N. Rudolph Miller, world service department chairman, reported on the completion of the pajama project. She announced two quilts will be on frames and those desiring to work on them may call the committee, Mrs. James Sheets, Mrs. Curtis Garner and Mrs. Porter. She reminded the group of the book and attic sale set for November and that layettes be completed.

The unit voted to give monetary contributions, instead of canned goods, to the Youngstown Home as part of the "Ohio Presbyterian Homes" project.

Mrs. Dale Thornton, secretary, read the minutes. Mrs. Kupchinsky closed with "The Prayer of St. Francis of Assisi."

The buffet table was centered with an arrangement of spider mums. Garden flowers decorated the other tables. Mrs. Thomas Eason was in charge of arrangements. Mrs. Alma Hall of the Boyce Methodist Church was a guest.

Dedication of the year's projects will take place at the next session Nov. 2 at the church, with the Patience Group hostess unit.

# 'Open House' Set For Anniversary Of Lisbon Couple

LISBON — Mr. and Mrs. Clarence Robinson of W. Washington St., Lisbon, will be honored at an open house reception in observance of their 50th wedding anniversary Sunday afternoon from 2 to 5 p.m. at the home of their son and daughter-in-law, Mr. and Mrs. Lester Robinson of 525 W. Lincoln Way, Lisbon.

He is a former Columbiana County commissioner.

Mrs. Robinson, the former Miss Minnie Welch, and Mr. Robinson were married Sept. 8, 1915, at the Bethel Presbyterian Church by the Rev. Mahlon H. Wolf. Mrs. Harvey Everett (Helen Robinson) of Lisbon, a sister of Mr. Robinson, was the matron of honor and Charles Welch of Hanoverton, a brother of Mrs. Robinson, was best man at the wedding.

The Robinsons, both active members of the First Presbyterian Church of Lisbon, have resided in the Lisbon area all their lives.

They are the parents of three sons, Kenneth Robinson of Overland Park, Kan.; Wilbur Robinson of Toledo, and Lester Robinson of Lisbon. There are 10 grandchildren and one great granddaughter.

Buttons, when first placed on garments, were strictly for ornamentation. It wasn't until the latter part of the reign of Queen Elizabeth I that their useful value was discovered.

## *3 Are Injured As Car Veers, Rams Bridge*

Three teen-agers were injured when their car veered off a curve of the Yellow Creek Rd. and struck a bridge about midnight Wednesday.

In "fairly good" condition at City Hospital are James Shenton, 17, of 6th Ave., LaCroft, the driver, and Anna Smith, 19, of Hammondsville R. D. 1.

Terry Hansel, 17, of 5th Ave., LaCroft, was treated for an ankle injury and released. She is the daughter of Mrs. Gladys Hayes.

The Ohio Highway Patrol at Lisbon said Shenton was headed north about two-tenths of a mile south of Route 39 when his 1958 sedan left the road on a curve, went off the right side and struck the bridge.

Shenton, the son of Denna Hickman, received injuries to the right collarbone and abrasions of the right upper chest. He was charged with fictitious registration.

Anna Smith, daughter of Augbert Smith, received a cut on the right foot and an injury to the middle finger of the left hand.

The car was demolished, officers said.

## Committee Heads Are Named Here By Secretaries

Standing committee chairmen were named when the East Liverpool Area Chapter of the National Secretaries Association met Tuesday night at the Potters Savings and Loan Co. annex.

Mrs. Angie Frank, president, appointed Mrs. Ruby Coleman chairman for program and education; Mrs. Evelyn Hartman, parliamentarian; Mrs. Nancy DeSarro, ways and means; Mrs. Sara Dickey, scrapbook; Miss Susan Graff, hospitality; Mrs. Mary Jane Fone, membership, and Mrs. Frank, publicity.

Tentative plans were outlined to organize a Future Secretaries Association at East Liverpool High School. Mrs. Frank will make the initial inquiries and later list a committee to arrange the plans.

Several plan to attend a workshop Saturday at the Nationwide Inn in Columbus. The district conference will be held Oct. 22-24 at Chicago.

The annual Bosses Night observance will be Oct. 20 at the Country Club.

The group voted to change the meeting time from 7:30 until 8 p. m.

## Man, 72, Charged

CLEVELAND (AP)—John R. Winand, 72, has been charged with second-degree manslaughter in the traffic death of James H. Cochrane, 51. The charge was filed Wednesday against the retired railroader. Cochrane was killed Tuesday crossing a street in suburban Lakewood.

# Miss Mississippi Captures Pageant's Swim Suit Title

ATLANTIC CITY, N.J. (AP) —"I have no problem keeping my shape, I have a problem keeping my weight up," says the curvy blonde who won the swim suit title in the Miss America pageant.

"I'm eating all the time and I eat anything and everything," says Patsy Puckett, the shapely 20-year-old Miss Mississippi.

The University of Mississippi junior measures 35-23-35 on a 5-foot-6, 120-pound frame.

Miss Puckett was named the swim suit winner Wednesday night during the first round in the nation's oldest beauty contest.

Miss Indiana, 18, a soprano who never took a voice lesson, won the talent honors singing a medley of three songs from the hit show "Sound of Music."

Eileen Smith of Indianapolis said she began singing "when I was seven . . . ever since I first saw Roy Rogers and Dale Evans."

She has hazel eyes, auburn hair and a 34-23-34 figure.

Seventeen contestants who seek the title now held by Vonda Kay Van Dyke of Phoenix, Ariz., and the $10 000 scholarship that goes with the crown, appeared in evening gowns. But to heighten the suspense, the winners in that division are not announced.

During the three nights of preliminary competition the girls will appear in each category.

## 'Hungary Flight' Topic Of Talk At Industry Meeting

"My Flight From Hungary" was the program topic presented by Mrs. Mary Lestyan of Beaver Falls at the first meeting of the season for the Ohio View - Industry Women's Club Tuesday night in Fellowship Hall of the Ohio View Lutheran Church in Industry.

Mrs. Anthony Acon, president, conducted business.

The youth conservation chairman, Mrs. Ed Kramer, announced that the first meeting of the Ohio View Canteen will be held in Logan School Saturday, with Mr. and Mrs. Ed Fox and Mr. and Mrs. Acon chaperons.

Plans for a tour of the United Fund agencies in Beaver County were announced by Mrs. John Petrosky, welfare chairman. Members will visit the various organizations Sept. 17.

Mrs. Ed Stephens, program chairman, reported that Dr. Stewart M. Lee, chairman of the Department of Economics and Business Administration at Geneva College in Beaver Falls, will be guest speaker at the Oct. 4 meeting.

Mrs. Paul Mortimer will serve as hostess chairman, assisted by Mrs. Francis Crytzer, Mrs. C. L. Defenbaugh, Mrs. Joseph Fiediga, Mrs. Frank Kennedy, Mrs. William Lemon, Mrs. Ed White, Mrs. John Petrosky and Mrs. Ralph Graham.

A flower show and contest followed Tuesday's meeting. Prizes were awarded in three categories, to Mrs. Defenbaugh for a miniature arrangement, to Mrs. James Muns for the centerpiece group and to Mrs. Harrell Bomar for a novelty arrangement.

A floral centerpiece in a woodland setting highlighted the buffet table. Mrs. Acon and Mrs. George Ross poured at the tea table. Mrs. John Siranovich was hostess.

## Driver Named Law Gets Traffic Ticket

DAYTON, Ohio (AP) — John Law got a traffic ticket.

Ohio Highway Patrolman Richard Barton cited Law, 58, of Strasburg, for changing lanes improperly on U. S. 25 near here. Law posted $25 bond on the ticket Tuesday.

The largest island in the world is Greenland, which covers 840,000 square miles. Following in order are New Guinea, with 342,232 square miles; Borneo, 282,416 square miles; Baffin Island, 231,000 square miles; Madagascar, 223,707 square miles, and Sumatra, 164,165 square miles.

## *Pontiff Thought Of Visit To U.N. For Some Time*

VATICAN CITY (AP)—Pope Paul has been thinking about a trip to the United Nations almost from the time of his election two years ago, Vatican sources said today.

A veteran of 31 years in the Vatican's secretariat of state, its foreign office, Paul VI has always been a supporter of the U.N. His desire to give the papacy a more active world image, especially in the field of peace seeking was said to be behind the announcement Wednesday here that he would fly to New York Oct. 3 and talk on peace the next day to the assembled U.N. delegates.

U.N. Secretary-General U Thant's invitation to Pope Paul more than three months ago gave him a chance he welcomed.

## *3 Circus Lions Escape Truck In Bridge Crossing*

ANTIOCH, Calif. (AP) — The peaceful San Joaquin River delta was alive Wednesday with the terrifying snarls of escaped circus lions who turned the countryside into an armed camp for six hours.

Three of the Carson-Barnes show's six-lion all-female cast escaped from a truck while crossing a San Joaquin River bridge. Before the excitement was over one big cat was dead, another was stunned by tranquilizer bullets and the third meekly submitted to being lassoed and returned to her cage.

The lions were being trucked across the bridge when the cage apparently grazed a guard rail and sprung open. Out bounded the three lions.

Scores of heavily armed officers closed in on the scene as the domestic safari began.

## 1 Killed, 1 Injured In 2-Car Collision

DAYTON, Ohio (AP)—An 82-year-old Miamisburg man, Henry Vaho, was killed and another man injured in a two-car collision on U. S. 25 near here Wednesday.

The driver of the second car, William Lakes, 25, of New Carlisle, was hospitalized in satisfactory condition.

If all the glaciers in the world were to melt, it is computed that the level of the sea would rise from 65 to 165 feet and about half the world's land would be under water.

## *Pair Injured As 2 Planes Crash-Land*

An Arizona couple who had been visiting her father in the Hanoverton area was injured in one of two light airplane mishaps in Columbiana County Wednesday afternoon.

Donald Leroy Faubert, 28, and his wife, Margaret, were shaken and bruised when his single-engine Stinson crashed into a grove of pine trees on the farm of Earl Gruber just north of Route 30, about a mile west of Lisbon.

The Ohio Highway Patrol at Lisbon said Faubert was taking off from the pasture and the plane was airborne when the motor failed and the plane struck the trees at the southeast end of the field.

The pair had landed there a few days ago to visit her father, officers said. The plane was demolished and several of the pines were downed.

Edgar Thomas Huston Jr., 21, of Pleasantville, N. J., a student at Western Kentucky University, escaped injury when he made an emergency landing along Township Rd. 801, near Alliance, plunging through a fence.

Officers said Huston was flying about 3,000 feet when the plane lost power and he attempted a landing in a pasture of Horace Dye of Alliance R.D. 5, some 2.6 miles southeast of Alliance.

Huston was unable to stop the plane within the field and the Piper Cherokee B 4-place craft crossed the highway, went through a wire fence and into a cornfield.

Damage to the plane was light, the patrol said.

Huston had taken off from Greater Pittsburgh Airport and was en route to Detroit.

## Columbus Site Urged For Office Structure

COLUMBUS, Ohio (AP) — A site at the southwest corner of Broad and High streets, across the street from the Statehouse, has been recommended for construction of a new $5 million, 15 to 16-story Ohio Health Department office building.

The site, recommended to Gov. James A. Rhodes by the Ohio Health Department Building Committee Wednesday, includes the state-owned Wyandotte Building now used by many state agencies. The building has been described as obsolete.

## Club Will Erect Salineville Signs

SALINEVILLE — The Ruritan Club Wednesday night decided to erect signs at the entrances to the community and hold a contest to obtain an appropriate slogan for use on the signs.

This is a new project. A $10 prize will be offered for the winning slogan. Suggestions should be directed to Albert Girone, president.

Mrs. Ellen Connely, a nurse consultant for the state's crippled children program in Northeast Ohio, was guest speaker.

She discussed her work with crippled and handicapped children, pointing out there are 62 on her rolls in Columbiana County.

Thirty - members and their wives attended the session in the Salineville School cafeteria.

The next meeting will be Oct. 13 at St. Patrick's Parish Hall.

The original purpose of the famed Mason-Dixon Line was not to establish a dividing line between the North and South United States, as sometimes supposed. This line, extending along the southern Pennsylvania and northern Maryland border, was established to settle disputes over private land grants.

## Committee Heads Are Named Here By Secretaries

Standing committee chairmen were named when the East Liverpool Area Chapter of the National Secretaries Association met Tuesday night at the Potters Savings and Loan Co. annex.

Mrs. Angie Frank, president, appointed Mrs. Ruby Coleman chairman for program and education; Mrs. Evelyn Hartman, parliamentarian; Mrs. Nancy DeSarro, ways and means; Mrs. Sara Dickey, scrapbook; Miss Susan Graff, hospitality; Mrs. Mary Jane Fone, membership, and Mrs. Frank, publicity.

Tentative plans were outlined to organize a Future Secretaries Association at East Liverpool High School. Mrs. Frank will make the initial inquiries and later list a committee to arrange the plans.

Several plan to attend a workshop Saturday at the Nationwide Inn in Columbus. The district conference will be held Oct. 22-24 at Chicago.

The annual Bosses Night observance will be Oct. 20 at the Country Club.

The group voted to change the meeting time from 7:30 until 8 p. m.

## Man, 72, Charged

CLEVELAND (AP)—John R. Winand, 72, has been charged with second-degree manslaughter in the traffic death of James H. Cochrane, 51. The charge was filed Wednesday against the retired railroader. Cochrane was killed Tuesday crossing a street in suburban Lakewood.

# Miss Mississippi Captures Pageant's Swim Suit Title

ATLANTIC CITY, N.J. (AP)—"I have no problem keeping my shape, I have a problem keeping my weight up," says the curvy blonde who won the swim suit title in the Miss America pageant.

"I'm eating all the time and I eat anything and everything," says Patsy Puckett, the shapely 20-year-old Miss Mississippi.

The University of Mississippi junior measures 35-23-35 on a 5-foot-6, 120-pound frame.

Miss Puckett was named the swim suit winner Wednesday night during the first round in the nation's oldest beauty contest.

Miss Indiana, 18, a soprano who never took a voice lesson, won the talent honors singing a medley of three songs from the hit show "Sound of Music."

Eileen Smith of Indianapolis said she began singing "when I was seven . . . ever since I first saw Roy Rogers and Dale Evans."

She has hazel eyes, auburn hair and a 34-23-34 figure.

Seventeen contestants who seek the title now held by Vonda Kay Van Dyke of Phoenix, Ariz., and the $10,000 scholarship that goes with the crown, appeared in evening gowns. But to heighten the suspense, the winners in that division are not announced.

During the three nights of preliminary competition the girls will appear in each category.

## 'Hungary Flight' Topic Of Talk At Industry Meeting

"My Flight From Hungary" was the program topic presented by Mrs. Mary Lestyan of Beaver Falls at the first meeting of the season for the Ohio View - Industry Women's Club Tuesday night in Fellowship Hall of the Ohio View Lutheran Church in Industry.

Mrs. Anthony Acon, president, conducted business.

The youth conservation chairman, Mrs. Ed Kramer, announced that the first meeting of the Ohio View Canteen will be held in Logan School Saturday, with Mr. and Mrs. Ed Fox and Mr. and Mrs. Acon chaperons.

Plans for a tour of the United Fund agencies in Beaver County were announced by Mrs. John Petrosky, welfare chairman. Members will visit the various organizations Sept. 17.

Mrs. Ed Stephens, program chairman, reported that Dr. Stewart M. Lee, chairman of the Department of Economics and Business Administration at Geneva College in Beaver Falls, will be guest speaker at the Oct. 4 meeting.

Mrs. Paul Mortimer will serve as hostess chairman, assisted by Mrs. Francis Crytzer, Mrs. C. L. Defenbaugh, Mrs. Joseph Fiediga, Mrs. Frank Kennedy, Mrs. William Lemon, Mrs. Ed White, Mrs. John Petrosky and Mrs. Ralph Graham.

A flower show and contest followed Tuesday's meeting. Prizes were awarded in three categories, to Mrs. Defenbaugh for a miniature arrangement, to Mrs. James Muns for the centerpiece group and to Mrs. Harrell Bomar for a novelty arrangement.

A floral centerpiece in a woodland setting highlighted the buffet table. Mrs. Acon and Mrs. George Ross poured at the tea table. Mrs. John Siranovich was hostess.

## Driver Named Law Gets Traffic Ticket

DAYTON, Ohio (AP) — John Law got a traffic ticket.

Ohio Highway Patrolman Richard Barton cited Law, 58, of Strasburg, for changing lanes improperly on U. S. 25 near here. Law posted $25 bond on the ticket Tuesday.

The largest island in the world is Greenland, which covers 840,000 square miles. Following in order are New Guinea, with 342,232 square miles; Borneo, 282,416 square miles; Baffin Island, 231,000 square miles; Madagascar, 223,707 square miles, and Sumatra, 164,165 square miles.

## *Pontiff Thought Of Visit To U.N. For Some Time*

VATICAN CITY (AP)—Pope Paul has been thinking about a trip to the United Nations almost from the time of his election two years ago, Vatican sources said today.

A veteran of 31 years in the Vatican's secretariat of state, its foreign office, Paul VI has always been a supporter of the U.N. His desire to give the papacy a more active world image, especially in the field of peace seeking was said to be behind the announcement Wednesday here that he would fly to New York Oct. 3 and talk on peace the next day to the assembled U.N. delegates.

U.N. Secretary-General U Thant's invitation to Pope Paul more than three months ago gave him a chance he welcomed.

## *3 Circus Lions Escape Truck In Bridge Crossing*

ANTIOCH, Calif. (AP) — The peaceful San Joaquin River delta was alive Wednesday with the terrifying snarls of escaped circus lions who turned the countryside into an armed camp for six hours.

Three of the Carson-Barnes show's six-lion all-female cast escaped from a truck while crossing a San Joaquin River bridge. Before the excitement was over one big cat was dead, another was stunned by tranquilizer bullets and the third meekly submitted to being lassoed and returned to her cage.

The lions were being trucked across the bridge when the cage apparently grazed a guard rail and sprung open. Out bounded the three lions.

Scores of heavily armed officers closed in on the scene as the domestic safari began.

## 1 Killed, 1 Injured In 2-Car Collision

DAYTON, Ohio (AP)—An 82-year-old Miamisburg man, Henry Vaho, was killed and another man injured in a two-car collision on U. S. 25 near here Wednesday.

The driver of the second car, William Lakes, 25, of New Carlisle, was hospitalized in satisfactory condition.

If all the glaciers in the world were to melt, it is computed that the level of the sea would rise from 65 to 165 feet and about half the world's land would be under water.

# *Pair Injured As 2 Planes Crash-Land*

An Arizona couple who had been visiting her father in the Hanoverton area was injured in one of two light airplane mishaps in Columbiana County Wednesday afternoon.

Donald Leroy Faubert, 28, and his wife, Margaret, were shaken and bruised when his single-engine Stinson crashed into a grove of pine trees on the farm of Earl Gruber just north of Route 30, about a mile west of Lisbon.

The Ohio Highway Patrol at Lisbon said Faubert was taking off from the pasture and the plane was airborne when the motor failed and the plane struck the trees at the southeast end of the field.

The pair had landed there a few days ago to visit her father, officers said. The plane was demolished and several of the pines were downed.

Edgar Thomas Huston Jr., 21, of Pleasantville, N. J., a student at Western Kentucky University, escaped injury when he made an emergency landing along Township Rd. 801, near Alliance, plunging through a fence.

Officers said Huston was flying about 3,000 feet when the plane lost power and he attempted a landing in a pasture of Horace Dye of Alliance R.D. 5, some 2.6 miles southeast of Alliance.

Huston was unable to stop the plane within the field and the Piper Cherokee B 4-place craft crossed the highway, went through a wire fence and into a cornfield.

Damage to the plane was light, the patrol said.

Huston had taken off from Greater Pittsburgh Airport and was en route to Detroit.

## Columbus Site Urged For Office Structure

COLUMBUS, Ohio (AP) — A site at the southwest corner of Broad and High streets, across the street from the Statehouse, has been recommended for construction of a new $5 million, 15 to 16-story Ohio Health Department office building.

The site, recommended to Gov. James A. Rhodes by the Ohio Health Department Building Committee Wednesday, includes the state-owned Wyandotte Building now used by many state agencies. The building has been described as obsolete.

## Club Will Erect Salineville Signs

SALINEVILLE — The Ruritan Club Wednesday night decided to erect signs at the entrances to the community and hold a contest to obtain an appropriate slogan for use on the signs.

This is a new project. A $10 prize will be offered for the winning slogan. Suggestions should be directed to Albert Girone, president.

Mrs. Ellen Connely, a nurse consultant for the state's crippled children program in Northeast Ohio, was guest speaker.

She discussed her work with crippled and handicapped children, pointing out there are 62 on her rolls in Columbiana County.

Thirty - members and their wives attended the session in the Salineville School cafeteria.

The next meeting will be Oct. 13 at St. Patrick's Parish Hall.

The original purpose of the famed Mason-Dixon Line was not to establish a dividing line between the North and South United States, as sometimes supposed. This line, extending along the southern Pennsylvania and northern Maryland border, was established to settle disputes over private land grants.

## *Comparisons Hurt Child At School*

"When your brother was in this grade. . ." You know the rest, you know who said it, and that the child so addressed was lagging in his school work. What a cruel thing for any teacher to say to a child. Many a younger child must hear his teacher thus compare him unfavorably with an older brother or sister "when in this grade." Such comparisons not only discourage the lagging child, but may cause him to dislike the more successful brother or sister, dislike the teacher and dislike the school.

Dr. Garry Myers

Parents sometimes make the same comparisons. Even when neither teacher nor parent does so, the lagging child may hear from others the successes of an older brother or sister. So serious is this problem that many a child may not choose to go to the same private school or college at which an older brother or sister made an outstanding record.

—:—

**IN A** letter from a mother in New York State, she even relates that the teacher of her discouraged son in the second grade "often throws in his face that his little sister is on the first grade honor roll."

Next week when school reopens, a few children, especially in the lower grades, who adored their teacher of last year may call at her room to tell her how they wish she would be their teacher this year.

Inflated with their emotional ties to her, this teacher, instead of helping them look forward to enjoying their new teacher may, in effect, keep them from doing so. Such are human frailties of which teachers may not always be aware.

Parents often will make it hard for the child who must have a new teacher and lose the one he had so much adored. Unfortunately, mothers at their clubs, church meetings or cocktail parties, incline to discuss teachers, comparing them unfavorably.

—:—

**THE UPSHOT** of their "gossip" may give a certain teacher a bad reputation with children. Often the grounds on which they rate a teacher may be very flimsy, even absurd. She may indeed have outstanding qualities generally overlooked.

If your child bemoans his having had to leave a teacher he adored last year, don't encourage him to believe he won't come to like his new teacher as well. When you hear other mothers talking in like manner about a teacher, don't conspire with them to do likewise. Use your influence with them to desist from such remarks.

Resolve to keep looking for merits in the new teacher. Amplify on them with your child and in your talk with other mothers.

I can remember a time when our daughter in the grades, having had a teacher she and her classmates adored, expressed concern about her new "teacher for this year." Our daughter related what she had heard about this new teacher, that she was strict and made the children work very hard.

—:—

**WE KEPT** watching this teacher; we lost no opportunity to point out to our daughter the strengths in this teacher we discovered. After a few months, our daughter was relating more and more good qualities in this teacher and she and we were saying before long that this was the finest teacher our daughter had ever had.

## Rep. Ayres Attacks Senate-House Group

WASHINGTON (AP) — Rep. William H. Ayres, R - Ohio, charges that "The poor have been placed at the mercy of the political bosses . . . in an unprecedented federal power grab that spells out the end of local control" in the antipoverty program.

Ayres made his blast Wednesday in criticizing action by a Senate-House conference committee which eliminated a section in the House-passed version of the bill "that would give the governors of our states a limited veto power."

# Out Of The Air

By RICHARD DOAN

### *The Ratings War Starts*

Television industry insiders are not happily anticipating the new network season which opens next Sunday. They expect a blitz of competitive ratings claims the likes of which nobody ever has beheld before.

Richard Doan

It will start the morning after the first new shows are introduced and it won't let up for weeks.

-:-

**THIS TIME** it will be intensified in contrast to former years because the three networks are unveiling their entire prime-time schedules for 1965-66 within a span of eight days. In past years the premieres were spread over three or more weeks.

Visions of how the ratings winds will blow, first one way, then another, already have some top network officials privately covering themselves with cloaks of disdain for the whole ratings business.

"I wish we could forget the whole thing," a network president vowed the other day. He said he wished the press would ignore them, too.

-:-

**DESPITE** apparent expectations in some quarters that the one early week of premieres will provide a quicker "reading" on the new season than usual, most people knowledgeable in such matters do not foresee a genuine reflection of viewers' preferences coming to light until the usual time — about late November.

Audiences will be sampling the new series first, these experts know, and in some cases will have two or three new shows in a time period to look over before settling on a favorite, or passing them all by as weekly fare.

"Old favorites are depressed in the early ratings," a researcher pointed out, "and don't reach their true levels until later when some viewers go back to them."

-:-

**HE NOTED** how, last season, ABC's "No Time for Sergeants" took off like a house afire at the opening of the season. Later, its old-line competition, Andy Griffith's CBS comedy, took hold again and outrated the newcomer. "Sergeants" was canceled.

On the other hand, early ratings last season almost brought about cancellation of NBC's successful "The Man from U.N.C.L.E." It was shifted from Tuesday to Monday night and, in the nick of time, got a passing ratings grade.

The public will be regaled and confused in the weeks ahead by conflicting network ratings claims from a variety of sources. At least three audience measurement services — Nielsen, Arbitron and Trendex —will be quoted, and their findings do not always agree.

-:-

**IN ADDITION,** there will be 30-market Nielsens, which historically tend to favor ABC, which is stronger in the cities than the rural areas, and the national Nielsens, the industry's true gospel, which judge 54 million homes' viewing on the basis of about 1,100 of them.

The consensus of industry opinion is that the three networks will be neck and neck again this fall, as they were last season, in over-all evening popularity.

Some observers attribute this to the sameness of programming among the networks, seeing no attempts at innovation or extravagant shows that could draw viewers to one network in preference to others.

-:-

**SPECIALS** will provide the major excitement of the forthcoming season and these, at the same time, will throw hooks into the "readings" of how shows and networks compare.

In Thanksgiving Week, for example, no fewer than 13 news and entertainment specials are scheduled. Their effect on ratings will be to throw off nearly all nightly and week-long standings.

It will be difficult for TV insiders, let alone average TV watchers, to find out who's really on first this fall.

## Nancy Lee Copestick To Join Hospital Staff

Miss Nancy Lee Copestick, daughter of Mr. and Mrs. Louis B. Copestick of Sunrise Dr., Guilford Lake, has been graduated from Aultman Hospital School of Nursing, Canton.

She was one of 58 students who received their diplomas at Canton Lincoln High School auditorium.

Miss Copestick was graduated from Chester High School in 1961. The family moved to Guilford Lake in 1963.

After a vacation at Cape Cod, Mass., she will work at Aultman Hospital.

## In Just Plain Words, Telephone Too Busy

MIAMI, Fla. (AP) — The phone company was so busy Wednesday with Hurricane Betsy it was too busy to say how busy it was.

A newsman called repeatedly to ask if switchboards were being overloaded with calls. All he could get was a busy signal.

Eugene V. Debs formed the Social Democratic party in 1897.

# Regents Hear Proposal On Universities

TOLEDO, Ohio (AP) — The Ohio Board of Regents heard a recommendation Wednesday that urban universities be given a bigger role in the state system of higher education than the board's master plan currently contemplates.

The recommendation was made by Dr. William S. Carlson, president of the University of Toledo, where the board held a hearing on the master plan. Dr. Carlson said that when the master plan was in preparation, Ohio State University was the only urban state-supported university. Since then two new ones have been added in Cleveland and Dayton, he said, and two others soon will be added, in Toledo and Akron.

Dr. Carlson also complained that the master plan recommends a $300-per-student state support factor for freshmen and sophomores in residential schools, such as Bowling Green State University, but that municipal universities also deserve $300 per student because of their high expenses.

Dr. Kenneth McFall, vice president of Bowling Green, told the board the operating budgets for state universities for the next biennium are inadequate because of increased enrollments. He also said the plan's estimates of capital expenditure for state universities may turn out to be low.

McFall and Carlson both agreed that more Ph. D. programs are needed in the state universities.

Luther Mylander of Oak Harbor, Ottawa County, appearing for the Ohio School Boards Association, asked for greater emphasis on technical education in the plan.

## People In News

LONDON (AP) — Baroness Spencer-Churchill has minted the first coin bearing a portrait of her late husband, Sir Winston Churchill.

She started a motor Wednesday at the Royal Mint to turn out the first five-shilling piece, worth about 70 cents. It is the first British coin to bear the likeness of a commoner in addition to that of the sovereign.

NEW YORK (AP) — British stars Joan Collins and Anthony Newley are the parents of a second child, a boy born Wednesday at Mt. Sinai Hospital.

They named the 7-pound, 1-ounce infant Alexander. Their daughter, Tara, is 2.

OSLO, Norway (AP)—Crown Prince Harald of Norway begins an extended visit to the United States Friday.

The 28-year-old bachelor will visit Washington, Norfolk, Va., Madison, Wis., Minneapolis and Rochester, Minn., Omaha, Neb., Houston, Tex., and Cape Kennedy Fla.

ROME (AP)—President Guiseppe Saragat of Italy flies to Brazil Friday for a 13-day official visit to six Latin-American countries aimed at strengthening intercontinental relations, now shaky over European Common Market plans.

## Inventor Dies At 88

WEST PALM BEACH, Fla. (AP)—Joshua Lionel Cowen, 88, inventor of the Lionel electric train, died Wednesday.

# Hints *from* Heloise

— By Heloise Cruse —

Dear Heloise: I bought a pair of wooden bamboo draw-drapes and hung them behind my stove!

When they become soiled, which is quite often, I wash them in the bathtub and rinse them under the shower.

They may be hung on the clothesline by their own hooks, and rehung behind the stove when dry. They do not show grease and soil the way a painted wall does.

The drapes come in many colors to match your kitchen decor.

I find I do not have to keep washing the wall, so it is quite a work saver.

MRS. JUDY A. K.

-:-

**You are so right, Judy. Also, these drapes can be painted with matching, leftover paint from your kitchen.**

**HELOISE.**

DEAR HELOISE: Instead of washing those thick hot-pads, that take so long to dry—make an envelope-type cover for them out of any scrap of material, leaving a long flap to push down and over the pad to hold it in place.

The envelope can be washed, and it dries quickly.

CALLIE M. H.

DEAR HELOISE: Is it okay to tumble starched clothes with unstarched ones in a dryer?

DAVID C.

-:-

**If you want some of the starch from the starched clothes to transfer to your unstarched items. . .it is!**

**HELOISE.**

DEAR HELOISE: For those who do not have a vacuum cleaner with attachments, a child's broom is perfect for cleaning sofas and upholstered furniture.

I sweep (clean) first, before dusting the furniture.

A READER.

DEAR HELOISE: The little aluminum pie tins (that chicken pies, etc., come in) are very handy when making desserts to pack in lunch boxes.

I make up little pies or cakes, and bake them in the tins. They are easy to slide into a sandwich bag and pack in the lunch.

I make a large supply of these little pies, put them in the freezer, then bake them as needed.

The nice part is that the tins can be saved, washed and used over and over.

NANCY.

-:-

**DEAR HELOISE: To mend holes in screens (if you don't have a screen-mending kit), just darn the torn place in the screen with needle and thread.**

**Then paint over the mended place with clear nail polish.**

**MRS. J. V. STOKES.**

DEAR HELOISE: To remove hard water or other deposits from vases, just fill with one-third part water and two-thirds vinegar. The vase will be clean after a short soaking.

I've used this method for years.

Vinegar will take lime deposits off just about anything, including a crusty teakettle.

GRANDMA.

-:-

**I use pure vinegar, and let soak overnight in vases.**

**In the kettle, I use your recipe but boil it a bit.**

**And, did you know this vinegar could be saved and used over and over again?**

**HELOISE.**

DEAR HELOISE: Rubbing alcohol works like a charm to remove the sticky stuff that some labels are applied with.

MRS. GERTRUDE SIMMONS.

-:-

DEAR HELOISE: When cleaning pantry or cabinet shelves, I start at the bottom.

I remove the things from the bottom shelf, clean it, then place articles from the second shelf on it; repeat with the next shelf, and so on until all are cleaned. Then I replace articles on the proper shelf.

Sure saves trips up and down the ladder.

READER.

DEAR HELOISE: Do your readers know that if they save the small plastic eye droppers that come in children's vitamin bottles, they make ideal medicine dispensers for little children?

I have found also that the children enjoy taking their liquid medicine (such as cough syrup) when using these eye droppers, and you'll never spill one drop on your carpeting or floors.

GLORIA JENSEN.

## U.S. Troops In Viet To See 'Hello, Dolly'

WASHINGTON (AP) — American troops in South Viet Nam will see what the Soviet government wouldn't let the Russians see — the Mary Martin company's performance of "Hello, Dolly!"

Producer David Merrick accepted an invitation from President Johnson to take the show to Saigon from Tokyo, where the cast is now, the White House announced Wednesday.

## Ex-Musician Dies

SANTA BARBARA, Calif. (AP) — E. J. (Red) Ingle, 58, former jazz musician who played saxophone with the late Spike Jones' "City Slickers" band, died Tuesday.

## Canton Strike Ends, Workers Due Back

CANTON, Ohio (AP)—A wildcat strike of less than one day has ended at Diebold, Inc., and workers were asked to return to their jobs today.

After negotiations Wednesday night, management officials and Homer Jones, president of Boilermakers and Blacksmith Union Local 1191, asked workers to go back to work. Company officials said about 75 union members walked off their jobs after an employe was discharged. Jones said more than twice that many left their jobs.

## May Seek Coalition

ATHENS, Greece (AP) — A plan to solve Greece's political crisis by holding elections under an interim rightist government has collapsed and King Constantine now may seek a coalition.

# Hints *from* Heloise

— By Heloise Cruse —

Dear Heloise: I bought a pair of wooden bamboo draw-drapes and hung them behind my stove!

When they become soiled, which is quite often, I wash them in the bathtub and rinse them under the shower.

They may be hung on the clothesline by their own hooks, and rehung behind the stove when dry. They do not show grease and soil the way a painted wall does.

The drapes come in many colors to match your kitchen decor.

I find I do not have to keep washing the wall, so it is quite a work saver.

MRS. JUDY A. K.

-:-

**You are so right, Judy. Also, these drapes can be painted with matching, leftover paint from your kitchen.**

**HELOISE.**

DEAR HELOISE: Instead of washing those thick hot-pads, that take so long to dry—make an envelope-type cover for them out of any scrap of material, leaving a long flap to push down and over the pad to hold it in place.

The envelope can be washed, and it dries quickly.

CALLIE M. H.

DEAR HELOISE: Is it okay to tumble starched clothes with unstarched ones in a dryer?

DAVID C.

-:-

**If you want some of the starch from the starched clothes to transfer to your unstarched items. . .it is!**

**HELOISE.**

DEAR HELOISE: For those who do not have a vacuum cleaner with attachments, a child's broom is perfect for cleaning sofas and upholstered furniture.

I sweep (clean) first, before dusting the furniture.

A READER.

DEAR HELOISE: The little aluminum pie tins (that chicken pies, etc., come in) are very handy when making desserts to pack in lunch boxes.

I make up little pies or cakes, and bake them in the tins. They are easy to slide into a sandwich bag and pack in the lunch.

I make a large supply of these little pies, put them in the freezer, then bake them as needed.

The nice part is that the tins can be saved, washed and used over and over.

NANCY.

-:-

**DEAR HELOISE: To mend holes in screens (if you don't have a screen-mending kit), just darn the torn place in the screen with needle and thread.**

**Then paint over the mended place with clear nail polish.**

**MRS. J. V. STOKES.**

DEAR HELOISE: To remove hard water or other deposits from vases, just fill with one-third part water and two-thirds vinegar. The vase will be clean after a short soaking.

I've used this method for years.

Vinegar will take lime deposits off just about anything, including a crusty teakettle.

GRANDMA.

-:-

**I use pure vinegar, and let soak overnight in vases.**

**In the kettle, I use your recipe but boil it a bit.**

**And, did you know this vinegar could be saved and used over and over again?**

**HELOISE.**

DEAR HELOISE: Rubbing alcohol works like a charm to remove the sticky stuff that some labels are applied with.

MRS. GERTRUDE SIMMONS.

-:-

DEAR HELOISE: When cleaning pantry or cabinet shelves, I start at the bottom.

I remove the things from the bottom shelf, clean it, then place articles from the second shelf on it; repeat with the next shelf, and so on until all are cleaned. Then I replace articles on the proper shelf.

Sure saves trips up and down the ladder.

READER.

DEAR HELOISE: Do your readers know that if they save the small plastic eye droppers that come in children's vitamin bottles, they make ideal medicine dispensers for little children?

I have found also that the children enjoy taking their liquid medicine (such as cough syrup) when using these eye droppers, and you'll never spill one drop on your carpeting or floors.

GLORIA JENSEN.

## U.S. Troops In Viet To See 'Hello, Dolly'

WASHINGTON (AP) — American troops in South Viet Nam will see what the Soviet government wouldn't let the Russians see — the Mary Martin company's performance of "Hello, Dolly!"

Producer David Merrick accepted an invitation from President Johnson to take the show to Saigon from Tokyo, where the cast is now, the White House announced Wednesday.

## Ex-Musician Dies

SANTA BARBARA, Calif. (AP) — E. J. (Red) Ingle, 58, former jazz musician who played saxophone with the late Spike Jones' "City Slickers" band, died Tuesday.

## Canton Strike Ends, Workers Due Back

CANTON, Ohio (AP)—A wildcat strike of less than one day has ended at Diebold, Inc., and workers were asked to return to their jobs today.

After negotiations Wednesday night, management officials and Homer Jones, president of Boilermakers and Blacksmith Union Local 1191, asked workers to go back to work. Company officials said about 75 union members walked off their jobs after an employe was discharged. Jones said more than twice that many left their jobs.

## May Seek Coalition

ATHENS, Greece (AP) — A plan to solve Greece's political crisis by holding elections under an interim rightist government has collapsed and King Constantine now may seek a coalition.

# Dance Scheduled Friday Night At Midland Hi Spot

Following the football game between Midland and Mohawk Area high schools Friday night at the Midland Stadium, the first after-game dance will be held at the Midland Hi Spot Center, Mrs. William Spisak, director, has announced.

Former rules and regulations, including age requirements, will be in effect, the director said.

The age group includes students from Junior High, who have reached the age of 13, through 18. Midland area students and their guests, who also must follow the age requirements, may attend activities at the center during the 1965-66 season.

Dances will be held after all home games and also following other school activities at Midland High School.

Girls are permitted to wear slacks to the after-game dances, but shorts of any type will not be permitted at any time, Mrs. Spisak said.

In addition to records Friday night, a five - piece instrumental group, "The Turbines" from Youngstown, under the sponsorship of Lester Trainer, a Midland councilman, will be featured. From time to time different vocal and instrumental groups will appear.

Mrs. Spisak's committee is comprised of Mrs. Leslie Roach, Mrs. John McNeillie, Mrs. Thomas Farnan Jr., Mrs. Richard Bailey, Mrs. Lester Trainer, Mrs. Leroy Turner and Mrs. Francis F. Shone.

Volunteer assistance at the dances by parents and interested individuals would be appreciated, Mrs. Spisak said.

# *Chester Woman Graduated With Nursing Honors*

Miss Mae Allison, daughter of Mr. and Mrs. Lewis Allison of Chester, was graduated with honors from the Ohio Valley Hospital at Steubenville Wednesday night.

A 1962 graduate of Chester High School, she attended the school of nursing on a scholarship from the Hancock County 40 & 8 Society.

A special pin was presented to her last night by a delegation from the Society, including Mike Sweeney, Dwight Allison and Robert Hand of Chester.

Miss Allison also received an award as the outstanding medical and pediatrics nurse. She had earlier received a diet and nutrition award.

She will be employed in the pediatrics department of Weirton General Hospital.

# City To Get Bids For Grading Lot

Safety - Service Director Robert E. Vodrey said today he is obtaining informal bids from local excavating contractors for grading of a W. 5th St. lot scheduled to be converted to off-street parking.

A contractor will be hired to fill the cellar areas on the former Hazel Laughlin property on W. 5th St. near Jackson St. where two frame dwellings were razed after they were acquired by the city. The work will include so - called roughgrading.

The Tri - State Asphalt Corp. of East Liverpool and Martins Ferry then will perform the fine grading and lay a blacktop surface on the parking area. Tri-State received the contract for the surfacing Friday on its lone bid of $3,025.

# Board OK's Pay Hikes At Beaver Local

Salary increases for Beaver Local teachers and non - certified personnel were approved by the board of education at a meeting Wednesday night at the high school.

The teacher salary schedule was revised upward to meet state standards and to incorporate the $200 annual pay hike authorized under the state foundation program.

Instructors will be receiving from $200 to $600 salary increases under the new schedule, with most receiving more than $200.

The board granted $60 wage boosts to head cooks, $50 boosts to bus drivers and helper cooks and $10-a-month increases to custodians, secretaries and others.

A contract was granted with the Pusateri Excavating Co. to grade the area in front of the high school and to transport the soil for fill at the rear of the athletic field to complete a track.

William Smith was named delegate to the Ohio School Boards Association meeting Nov. 9-11 and Clayton Aughinbaugh was appointed alternate.

Norma Lee of Annesley Rd. was accepted as a student at the high school, with the East Liverpool board to pay her tuition and the family to furnish transportation.

A delegation from the Pine Hollow Trailer Court near Rogers asked for transportation of pupils. The board, after visiting the area following the meeting, authorized revision of bus routes to permit the Rogers bus to transport the youngsters.

The next meeting will be Oct. 4.

trying to "regain positions" they had lost to the Indian army.

"These attempts of theirs have been repulsed with heavy losses to the enemy," the announcement said.

The wording of the announcement made it appear that the Indians had indeed gone on the defensive after driving toward Lahore.

India claimed its forces were advancing along two other fronts opened Wednesday north and south of the flatlands battlefield. It appeared, however, that these attacks — in the Sind area east of Karachi and in the Chhamb sector of Kashmir — were designed to spread out Pakistan's 200,000-man army while India concentrated on the Lahore sector.

As the fighting raged, U.N. Secretary-General U Thant arrived in Rawalpindi, the Pakistani capital, to meet President Mohammed Ayub Khan and begin his peace mission to the two warring countries.

"Before I submit my report to the Security Council, I cannot say anything," Thant told newsmen during a stopover at Karachi. "It will not help to make a public statement."

More paratroopers were reported dropped during the night in both countries at points scattered across the subcontinent. Their mission apparently was sabotage.

## Class Reunion Slated

NEW WATERFORD — The New Waterford High School Class of 1957 will hold a reunion Sept. 18 at Firestone Park in Columbiana. Each family is to bring a coverdish and table service to the 4:30 p. m. event. A beverage will be provided and a program of games held for children.

# Teachers Get Wage Boosts At Waterford

MIDDLETON — A $200-a-year boost in teachers' salaries and $100 for non - certificated personnel was authorized by the Fairfield - Waterford School District Board of Education Wednesday night.

The $200 boost will be provided under the state foundation program as authorized by the legislature.

The increase for non - certificated personnel will be furnished from $1,500 in state funds and $600 of local funds, Executive Head Joseph Driscoll explained.

The district will be required to provide an additional $100 in teacher pay in a year to meet state minimum standards, he said. This will be from local funds, he added.

The board authorized the Hoppe's Tire Service of Columbiana to provide tires and tire repairs for school buses.

Maximum payment for bus drivers on field trips was increased from $15 to $18 by the board.

Mrs. Marla Moore of New Waterford was hired to teach sixth grade for a half day at the New Waterford School.

Board member George Garrod was appointed a delegate to the Ohio School Boards Association meeting Nov. 9-11 at Columbus and Mrs. Eleanor Bretz was named alternate.

Bids will be received at the next meeting Oct. 13 for two new sewing machines for the home economics department.

The Music Boosters will meet Monday night at 7:30 at the Crestview High School.

Faculty members will be introduced at a meeting of the Parent - Teacher Organization Sept. 20 at the high school.

# Hurricane

large shrimp boats sank in the harbor.

Key Largo was whiplashed by both sides of the storm as its eye passed over.

Moon Mullin, owner of the Pilot House restaurant, waded through the water while the gales still blew to see what was left of his business.

"While I was there my station wagon floated past. On the way back to the highway, I saw a 25-foot cabin cruiser up in the woods."

Later a small tornado spiraled near Marathon overturning several trailers.

One of the dead was a woman who was hit by a flailing power line that had blown loose as she was walking head down into the hurricane. A passerby shouted a warning, but Helen Cooper, 40, failed to hear him over the storm's roar.

An elderly woman was killed in West Palm Beach when she tried to close a garage door violently swinging in the wind. Another man died of a heart attack in Homestead.

A Miami man, John Panzarella, 87, steadfastly refused to leave his home in the rising flood despite a deep fear of water. "If I die, I die at home," he said.

In the resort hotels along Miami Beach guests refused to let Betsy stand in the way of a good time even though the Roney Plaza lost 70 cabanas and an oceanfront restaurant, fish and eels swam in the basement lobby of the Fontainebleau and the chandelier in the La Ronde Room somehow dripped water. Several hotels lost windows and there were fewer neon signs.

But scheduled conventioneers were wired to come on down.

For the average south Floridian away from the reach of the tides, the day was spent waiting for the rains — about five inches in Miami — to stop, the wind to fall — it hit a top 105 m.p.h. in the city — and the roads to drain — Biscayne Boulevard and streets along the Miami River were under several feet of water.

Then they stepped outside to view the wreckage, which was plenty. Coconuts, palm fronds, driftwood, orange peels, old mattresses, milk cartons and almost anything else that could float or be blown were strewn on yards and in streets.

Street lights had crashed to the streets. Billboards were stripped bare, signs tilted crazily. Broken glass from shop winows cluttered Biscayne Boulevard and its stately royal palms looked like plucked ostriches.

By late Wednesday planes and buses, which had shut down for the storm, were moving again on regular schedules. Radio and television stations tuned down the rock 'n' roll to read announcements saying that schools would be open again and morning shifts today were expected back at work.

# 10 Get Notice On Tax Cases

Notices have been served on 10 East Liverpool residents, ordering them to appear in Municipal Court Tuesday at 9 a.m. on charges of violating the city income tax ordinance by failure to file final returns on 1964 earnings.

The charges were filed Friday by Tax Commissioner D.G. Wilkinson. The summonses then were served on the defendants by Bailiff Wilbert P. Taylor. They are:

Clarence P. Bailey of Harvey Ave., Robert Brewer, 135 W. 2nd St., Emery Brewer, 445 1st Ave., Charles W. Hughes of W. 2nd and Jackson Sts., Fred Shaw, 408 Elm St.

Glenn Weyand Jr., 1195 Dodge St., Alfred Wedlake, 1945 Dresden Ave., Hugh V. Ward, 827 Alton St., Eugene Tuckweller, 1044½ Bradshaw Ave., and Jerry Thomas, 1041½ Riverview St.

Wilkinson filed 19 charges in all, but five of the defendants could not be located by the bailiff at the addresses shown in the tax office records. That cut the list of defendants to 14. Meanwhile, four others made settlements after the notices were served, reducing the list to 10.

It is the latest in a series of charges Wilkinson has filed in groups of approximately 20, seeking to force court appearances for more than 400 persons who failed to file the final 1964 returns. The reports were due by last April 15.

## Meeting Set For Weirton School

WEIRTON — An organizational meeting for all adult students enrolled in the Weirton Trade and Industrial School for the 1965-66 term will be held at the school at 7:30 p. m. Monday.

It will mark the start of the school's 24th year and to date nearly 500 adults have enrolled. Persons who have not applied for enrollment may attend Monday night's meeting and register for the classes they wish to attend.

The school is conducted through the cooperation of the Weirton Steel Co. division of the National Steel Corp., the Hancock County Board of Education and the West Virginia Department of Trade and Industrial Education.

Coordinator of the program for Weirton Steel is H. B. Crow, special representative, industrial relations, who is also chairman of the Hancock County Trade Council, Trade and Industrial Education.

The training program is designed to meet standards of the State Trade and Industrial Education Department. Most classes are held at the Weir High Vocational Building, with Weirton Steel employes who are experienced in specialized fields serving as instructors.

# *City To Buy New Tranquilizer Gun For Dog Warden*

The city is scheduled to buy a new gun which fires tranquilizing darts for use of Dog Warden Harold Flowers in humane capture of strays, Mayor George E. Willshaw said today.

Council has authorized expenditure of a maximum of $160 to acquire the pistol - shaped gun, which uses carbon dioxide gas cylinders to fire darts loaded with a tranquilizing fluid. The medication makes animals inert so that they may be picked up by the warden, but the effect of the tranquilizer wears off quickly.

The warden now has a rifle powered by gas which fires tranquilizer darts, but it does not work peroperly because of a defect in a valve that controls the power setting.

The pistol - type will replace the larger gun while it is being repaired. Later, the smaller gun will be used for capture of dogs at close range, whiere the higher power of the rifle - type weapon might be dangerous to animals.

# 3-Judge Panel Will Draft Ohio Reapportionment Plan

DAYTON, Ohio (AP) — The same panel of three federal judges which ordered a realignment of the Ohio House in line with the U. S. Supreme Court's "one-man, one-vote" edict last year will begin drafting the reapportionment plan Oct. 1.

U. S. District Court Judge Carl A. Weinman of Dayton, one of the three, disclosed this Wednesday after receiving a letter from House Speaker Roger Cloud, R-Logan, which said:

"It is with real regret I report to you the 106th General Assembly has now adjourned sine die without successfully securing an amendment to the Ohio Constitution which would have complied with your court order."

Also on the panel formulating the plan will be Judge Paul C. Weick of Akron, chief judge of the U. S. 6th Circuit Court of Appeals, and U.S. District Judge John W. Peck of Cincinnati.

The three, in a decision handed down last Oct. 15, said if the legislature didn't come up with a reapportionment plan for submission to the voters Nov. 2 of this year, the federal court would take on the remapping job itself.

A Republican-dominated special legislative session last year adopted a reapportionment plan. But Democrats battled that proposal to defeat at the polls last May and the new legislature, with a narrow GOP edge in the House and an evenly divided Senate, failed to agree in repeated attempts to come up with a compromise proposal.

The new plan will have to be completed to allow time for filing by persons who wish to enter the primaries as candidates for the House next year. The filing deadline is Feb. 1, 1966.

Street lights had crashed to the streets. Billboards were stripped bare, signs tilted crazily. Broken glass from shop winows cluttered Biscayne Boulevard and its stately royal palms looked like plucked ostriches.

By late Wednesday planes and buses, which had shut down for the storm, were moving again on regular schedules. Radio and television stations tuned down the rock 'n' roll to read announcements saying that schools would be open again and morning shifts today were expected back at work.

# 10 Get Notice On Tax Cases

Notices have been served on 10 East Liverpool residents, ordering them to appear in Municipal Court Tuesday at 9 a.m. on charges of violating the city income tax ordinance by failure to file final returns on 1964 earnings.

The charges were filed Friday by Tax Commissioner D.G. Wilkinson. The summonses then were served on the defendants by Bailiff Wilbert P. Taylor. They are:

Clarence P. Bailey of Harvey Ave., Robert Brewer, 135 W. 2nd St., Emery Brewer, 445 1st Ave., Charles W. Hughes of W. 2nd and Jackson Sts., Fred Shaw, 408 Elm St.

Glenn Weyand Jr., 1195 Dodge St., Alfred Wedlake, 1945 Dresden Ave., Hugh V. Ward, 827 Alton St., Eugene Tuckweller, 1044½ Bradshaw Ave., and Jerry Thomas, 1041½ Riverview St.

Wilkinson filed 19 charges in all, but five of the defendants could not be located by the bailiff at the addresses shown in the tax office records. That cut the list of defendants to 14. Meanwhile, four others made settlements after the notices were served, reducing the list to 10.

It is the latest in a series of charges Wilkinson has filed in groups of approximately 20, seeking to force court appearances for more than 400 persons who failed to file the final 1964 returns. The reports were due by last April 15.

## Meeting Set For Weirton School

WEIRTON — An organizational meeting for all adult students enrolled in the Weirton Trade and Industrial School for the 1965-66 term will be held at the school at 7:30 p. m. Monday.

It will mark the start of the school's 24th year and to date nearly 500 adults have enrolled. Persons who have not applied for enrollment may attend Monday night's meeting and register for the classes they wish to attend.

The school is conducted through the cooperation of the Weirton Steel Co. division of the National Steel Corp., the Hancock County Board of Education and the West Virginia Department of Trade and Industrial Education.

Coordinator of the program for Weirton Steel is H. B. Crow, special representative, industrial relations, who is also chairman of the Hancock County Trade Council, Trade and Industrial Education.

The training program is designed to meet standards of the State Trade and Industrial Education Department. Most classes are held at the Weir High Vocational Building, with Weirton Steel employes who are experienced in specialized fields serving as instructors.

# *City To Buy New Tranquilizer Gun For Dog Warden*

The city is scheduled to buy a new gun which fires tranquilizing darts for use of Dog Warden Harold Flowers in humane capture of strays, Mayor George E. Willshaw said today.

Council has authorized expenditure of a maximum of $160 to acquire the pistol - shaped gun, which uses carbon dioxide gas cylinders to fire darts loaded with a tranquilizing fluid. The medication makes animals inert so that they may be picked up by the warden, but the effect of the tranquilizer wears off quickly.

The warden now has a rifle powered by gas which fires tranquilizer darts, but it does not work peroperly because of a defect in a valve that controls the power setting.

The pistol - type will replace the larger gun while it is being repaired. Later, the smaller gun will be used for capture of dogs at close range, whiere the higher power of the rifle - type weapon might be dangerous to animals.

# 3-Judge Panel Will Draft Ohio Reapportionment Plan

DAYTON, Ohio (AP) — The same panel of three federal judges which ordered a realignment of the Ohio House in line with the U. S. Supreme Court's "one-man, one-vote" edict last year will begin drafting the reapportionment plan Oct. 1.

U. S. District Court Judge Carl A. Weinman of Dayton, one of the three, disclosed this Wednesday after receiving a letter from House Speaker Roger Cloud, R-Logan, which said:

"It is with real regret I report to you the 106th General Assembly has now adjourned sine die without successfully securing an amendment to the Ohio Constitution which would have complied with your court order."

Also on the panel formulating the plan will be Judge Paul C. Weick of Akron, chief judge of the U. S. 6th Circuit Court of Appeals, and U.S. District Judge John W. Peck of Cincinnati.

The three, in a decision handed down last Oct. 15, said if the legislature didn't come up with a reapportionment plan for submission to the voters Nov. 2 of this year, the federal court would take on the remapping job itself.

A Republican-dominated special legislative session last year adopted a reapportionment plan. But Democrats battled that proposal to defeat at the polls last May and the new legislature, with a narrow GOP edge in the House and an evenly divided Senate, failed to agree in repeated attempts to come up with a compromise proposal.

The new plan will have to be completed to allow time for filing by persons who wish to enter the primaries as candidates for the House next year. The filing deadline is Feb. 1, 1966.

**Deaf Man Perfects Hearing Aid Without Batteries**

If you can hear people talk and can't make out the words clearly, then this will be your answer. An extremely small hearing aid with permanent built-in power cell has been invented by a man who is himself hard of hearing and has been for 10 years. With his new aid, even whispers are crystal clear and your closest friends will never know how you hear so perfectly. Plus you never have to buy batteries ever.

To acquaint the public with the latest strides in the hearing aid industry we are giving actual size, non-operative samples which are smaller than the human eye. These will be given FREE of charge to those who send the attached coupon. The hearing aid sample for your ear will be sent in a plain package. Wear it in the privacy of your own home at no cost. You may keep it free of charge.

This type of aid is what people who hear but do not understand have been waiting for since hearing aids were invented — nothing outside your ear — no wires—no plugs.

This sample will be sent on first come, first served basis. Clip now before you forget.

**Deaf Man Perfects Hearing Aid Without Batteries**

If you can hear people talk and can't make out the words clearly, then this will be your answer. An extremely small hearing aid with permanent built-in power cell has been invented by a man who is himself hard of hearing and has been for 10 years. With his new aid, even whispers are crystal clear and your closest friends will never know how you hear so perfectly. Plus you never have to buy batteries ever.

To acquaint the public with the latest strides in the hearing aid industry we are giving actual size, non-operative samples which are smaller than the human eye. These will be given FREE of charge to those who send the attached coupon. The hearing aid sample for your ear will be sent in a plain package. Wear it in the privacy of your own home at no cost. You may keep it free of charge.

This type of aid is what people who hear but do not understand have been waiting for since hearing aids were invented — nothing outside your ear — no wires—no plugs.

This sample will be sent on first come, first served basis. Clip now before you forget.

## ANSWERS YOUR PROBLEMS

Dear Ann Landers: My problem is out of the ordinary. Please come up with some badly needed advice.

Our only child is 9 years old. A few days ago Molly received a note and two dimes from a little boy who is a classmate of hers. The note said, "Dear Molly, I want to be your boy friend. Here is 20 cents. Please go out and buy yourself a present. It will mean you are my sweetheart."

A friend who happened to be here thought it was the cutest thing she ever heard. I feel differently. In my opinion, if this isn't handled wisely it could be very damaging to our daughter and to the little boy as well. What should be done about it? —B.B. OF PEORIA.

-:-

**Dear B.B.: Molly should return the 20 cents. Explain to her, so that she can explain to the little boy, that they are too young to be sweethearts but that she would like him for a friend — and friends don't need to give each other gifts or money to seal the friendship.**

### Confused Miss

Dear Ann: I'm a high school junior who is confused about love and sex. How can a person tell the difference?

I'm going steady with a guy my parents don't like very much. My dad says Ron never will amount to anything. Maybe he won't, but I don't care. He's the only fellow who ever gave me a thrill. In other words, Ron turns me on.

It's getting harder and harder to keep from going all the way. Ron says if two people love each other it's okay. I think he's right, but the big question is how can I tell if it's really love or just plain sex?

Please help me, Ann. I'm—BETWEEN HEAVEN AND HELL.

-:-

**Dear Between: Sex is the instinctive response to a biological urge. It's one set of glands calling to another. Sex is like a sneeze — it is a physical release with no emotional investment.**

**Love is a combination of respect, admiration and the desire to give and to please. Love is developmental. It must take root and grow — one day at a time.**

**Love contains the magic element of physical excitement but this feeling comes with discovering and appreciating the other qualities. The perfect love experience is communication in its most complete and selfless form. It is worth saving for that very special person. So wait. You'll be glad you did.**

### Cupid's Job

Dear Ann: My dear friend who is in her late 30s lost her husband six months ago.

There are two men in our social circle and either one would be perfect for Marge. One is a bachelor and the other is a widower. I'd love to get her a date with one or both of these men but it would be awkward because they already know her.

How can I couple her off without making it appear that I'm trying to arrange something?—GOOD FRIEND.

-:-

**Dear Good: The question you are asking is how can you arrange a date for your friend without being obvious about it? The answer is you can't.**

**These men are aware that Marge is a widow. If they are interested they'll move on their own. The sure way to spoil it all is to try to do Cupid's work.**

**If you want to be really helpful introduce her to new faces.**

---

**Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self - addressed envelope.**

## Today In History

By The Associated Press

Today is Thursday, Sept. 9, the 252nd day of 1965. There are 113 days left in the year.

Today's highlight in history:

On this date in 1919, Boston police walked out on strike and voluntary police were unable to keep order. On Sept. 11, Massachusetts Gov. Calvin Cooldge made the statement, "There is no right to strike against the public safety by anybody, anywhere, any time." The phrase brought him national fame and contributed to his later election as president.

In 1776, the Continental Congress directed that all colonial commissions use the words "United States" instead of "United Colonies," establishing the name of the government-to-be.

In 1850, California became the first state on the West Coast to be admitted to the Union.

In 1914, the first battle of the Marne came to an end.

In 1939, Nazi forces began their encirclement of Warsaw.

In 1945, Gen. Douglas MacArthur outlined his occupation policy for Japan, insisting there must be respect for the personal and property rights of the Japanese.

Ten year ago — Police in Casablanca, Morocco, fired into a crowd of demonstrators, killing five persons.

Five years ago — The U.N. Security Council rejected a Soviet attempt to establish a veto power over actions of the Organization of American States.

One year ago — Hurricane Dora caused heavy destruction in the St. Augustine-Jacksonville area of Florida.

## Park Orders Probe Of Terrorist Attacks

SEOUL, Korea (AP)—President Chung He Park ordered a thorough investigation today into a series of terrorist attacks on opponents of his government.

An explosion early today shattered windows in the home of Yoo Ok-woo, chairman of the opposition Minjung party's central standing committee.

Tuesday night an explosion shattered the gate at the home of an editor of the opposition newspaper Donga Ilbo and four unidentified men beat up the production chief of a radio station run by the newspaper.

## Retired Marine, 43, Charged With Assault

CLEVELAND (AP) — Richard Beaulieu, 43, of suburban Lakewood has been charged with assault with a deadly weapon. The retired Marine was charged Wednesday in the wounding of Douglas DeMoor, 11.

The boy was shot in the neck with a pellet gun after he was ordered to leave Beaulieu's home, where he had been visiting Beaulieu's step-daughter.

Beaulieu told police he did not intend to hit the boy.

## Chile To Nationalize U.S. Copper Holdings

SANTIAGO, Chile (AP) — Preliminary approval by the Chilean Senate early today virtually assured passage of a bill empowering President Eduardo Frei to partially nationalize more than $1 billion worth of U.S. copper holdings.

Frei's government will purchase 51 per cent of the stock of the Kennecott Company's Chilean subsidiary and 25 per cent of the stock of the subsidiaries of the Cerro and Anaconda companies. The companies also have agreed to an expansion program to make Chile the world's No. 1 producer by 1970.

## Firestone, Mansfield Firm Agree On Tires

AKRON, Ohio (AP) — Firestone Tire & Rubber Co. and Mansfield Tire & Rubber Co. have agreed to let Firestone distribute Mansfield's Abel label tires through some 180 department store outlets.

The agreement includes Mansfield's assignment of its licenses and related releases to operate store outlets and the transfer of inventories and fixtures. In turn, Firestone will extend to Mansfield its research, advanced development and new manufacturing techniques, along with a 10-year contract for continued production in Mansfield factories.

# 'Cabin Fever' Strikes Some U.S. Aquanauts

LA JOLLA, Calif. (AP) — Taking a swim at 205 feet below the surface of the sea is much like strolling in his own back yard, says one of the aquanauts in Sealab 2.

Lt. Robert E. Sonnenburg, the doctor on the aquanaut team, gave this impression of undersea living Wednesday night in a telephone interview with The Associated Press.

"I think we are all feeling well, but some of us are getting cabin fever after 11 days down here, and we are getting ready to go up," Sonnenburg said.

Nine of the 10 aquanauts in the Navy's underwater living experiment are scheduled to surface Sunday when they will be replaced by another team.

Cmdr. Scott Carpenter, the astronaut turned aquanaut, plans to stay down another 15 days.

Sonnenburg said life in the 12x58-foot steel capsule was not much different from submarine duty and that the civilian members of the team had adjusted easily to the routine.

"The biggest thing for me was the original occupancy," he said. "There's no feeling of insecurity here. We never think about that."

The pressure of seven atmospheres in the Sealab gave Sonnenburg's voice the high pitch quality of a speeded-up phonograph record.

He said the ear infection that hit nine of the aquanauts was responding to antibiotic treatment.

Physicians had blamed microorganisms in the ocean water for the infections, the first physical trouble reported since the men went down Aug. 28.

The first team of aquanauts has spent much of its time getting the Sealab ready for occupancy and preparing the surrounding area for experiments.

## Ohio Woman Killed In Motorcycle Crash

CIMARRON, Kan. (AP) — A 22-year-old Columbus, Ohio, woman was injured fatally Wednesday when a motorcycle she was riding with her husband went out of control as it attempted to pass a truck.

Mrs. Betty Ortman died en route to a hospital after the accident.

# Church Seeks Funds, Prepares Anniversary

The Second Baptist Church of 878 State St. has launched a fund drive which will continue through Oct. 30.

On Sunday, Oct. 24, the church will observe its 60th anniversary with special services. Many guests are scheduled to join in the festivities, beginning at 3 p.m.

The Anniversary Committee includes: Caesar A. Peters, general chairman, Mrs. Ella Gibson and Mrs. Essie C. Arkward.

They emphasized that volunteer workers assisting in the drive will carry a letter with the church seal to designate their official roles.

Leaders of the various solicitation divisions follow:

Boulevard — James Martin, Mrs. Dorothy E. Peters and Mrs. Arkward.

Downtown business establishments — Mrs. Florence Earley, Mrs. Almeda E. Smith, Virgil E. Smith, A. D. Brooks, E. J. Adams, Bill Dickerson. Mrs. Gibson and Peters.

East End business establishments — H. A. Richardson, E. P. Stewart, Fred Jones, Johnson Stingley, Luther Gibson and Marie Smith.

Doctors and attorneys — Mrs. Catherine Williams, Mrs. Ann Mahone and Mr. and Mrs. Dan Henderson.

Mrs. Ann Pack is chairman of youth door-to-door solicitations.

The Rev. E. H. Harris is pastor.

In an official invitation being extended in conjunction with the anniversary, the church's contributions to the tri-state area and city of East Liverpool are pointed out.

"We have given moral spiritual support to industry, education, civic, government and religion," the letter states. "We have shared with other congregations the sorrows and devastation of two world wars.

"The faith of our fathers who came to this vicinity 60 years ago is still living and we have come this far by faith in the principles of Jesus Christ, although opposition and difficulty have dogged our pathway over the years.

"Therefore, we welcome industry, education, civic, government and religion to help us observe and celebrate 60 years of progress, which could not have been achieved without your fellowship in the past."

## St. Augustine Ends 12-Day Celebration

ST. AUGUSTINE, Fla. (AP) — The 12-day celebration marking the 409th anniversary of St. Augustine ended Wednesday with a noon mass and a speech by Sen. George A. Smathers, D-Fla.

Smathers said St. Augustine, the nation's oldest city, is beginning a new era but "we must look back and mark milestones."

# 12 Contests Mark First Weekend For District Gridders

## Wellsville Vs. Oak Glen In Main Attraction Friday Night

The chips go on the table this weekend as all district high school teams officially open the 1965 campaign with seven games on tap Friday and five contests scheduled Saturday.

The keenest local interest Friday night will be centered on the Oak Glen - Wellsville battle at the Tigers' Nicholson Stadium.

Oak Glen, got a jump on the district elevens, by opening last Friday with a 13-6 victory over Weirton Madonna.

Coach Ken Woods will be counting heavily on the running of all-District back Chris Thornton but the Tigers will have to stop the slants of a veteran Oak Glen backfield led by Marv Six and Dan Clark. Kick off for the opener at Wellsville is scheduled for 8 p. m.

—:—

**MIDLAND** carries a five-game winning streak from last season into its opener Friday night with Mohawk at Midland.

Under Coach Joe Cochran, the Leopards lost three and tied one of their first four games last season but came on strong to win the last five. Steve Alston, Joe Wuchina and Jimmy Smith will be carrying the backfield burden for the Leopards.

—:—

**STANTON** Local, one of the winningest teams in the district last season, opens at home against Hopedale while Ed Oliver sends his Southern Local squad against Greenford in a home opener for the Indians.

Two coaches make their debut Friday in Columbiana County as George Ceremuga who replaced Bud Bucher at Lisbon will see the Blue Devils in action for the first time at Carrollton and Bob James, the new Salem mentor, will test the Quakers against Cleveland Lincoln.

One other contest finds Dave Habeger's Crestview team visiting Mineral Ridge.

—:—

**EAST** Liverpool and Beaver Local open the doors on the 1965 campaign Saturday night at Patterson where over 5,000 fans are expected to be on hand for the inaugural.

The Potters finished on the winning side of a 44-0 outcome a year ago against the depleted forces of Beaver Local but the Beavers have shown an overall improved program.

East Liverpool will start the season with only six lettermen after losing 23 seniors from a 7-2-1 season in 1964.

Other Saturday battles finds afternoon games with Leetonia visiting United while Center Township plays at South Side. Hubbard will travel to Columbiana and East Palestine's new head coach Bill Offenbecher takes his Bulldogs to Canfield.

### *Oak Glen-Wellsville Tickets Are On Sale*

Reserved seat tickets for the Oak Glen - Wellsville game Friday night at Wellsville are on sale at McMorrows, Culp's, News and Gifts and Bloor's. Tickets are $1.25.

### District Grid Schedule

**Friday**

**Oak Glen at Wellsville**
**Mohawk at Midland**
**Lisbon at Carrollton**
**Hopedale at Stanton Local**
**Greenford at Southern Local**
**Crestview at Mineral Ridge**
**Cleveland Lincoln at Salem**

**Saturday**

## *Mays Belts Pair As Frisco Holds Lead*

## Dodgers, Reds ½ Back, Pirates 4

By MIKE RATHET
Associated Press Sports Writer

Luck of the Irish?

Not for Jim O'Toole. Irish stew would be more appropriate.

O'Toole, who's been in a stew most of his career and all of this season, fashioned a four-hitter Wednesday night as the Cincinnati Reds crushed the New York Mets and moved to within one-half game of the National League lead.

It was O'Toole's first complete game since opening day and only his second victory of the year, but then inexplicable things happen to a guy who in the past has been kicked by a horse and rapped in the face by a paddle-tennis racquet — at a Jewish Center.

A 17-game winner in 1964, O'Toole pitched well enough in spring training to earn the opening day assignment and went out and pitched a complete game against Milwaukee. But he lost. He went out time and again but was unable to win until June 16 when he was credited with the victory in a game against the Mets.

He hadn't won since when he took a 1-9 record and a 6.82 earned run average into Wednesday's game against the Mets — and in the first inning was hit on his pitching hand by a pitch thrown by Darrell Sutherland.

"Everything just seemed to go wrong for me this season — like when he hit me on the hand," said O'Toole. "I thought: Holy smoke, there it goes, and I just wondered if I'd be able to throw the baseball the next inning."

He was, and eventually marched off the mound with the organist playing "When Irish Eyes are Smiling" and the Reds in a tie with the idle Los Angeles Dodgers for second place, one-half game behind front-running San Francisco.

The Giants remained on top as Willie Mays hammered his 44th and 45th homer and drove in five runs in a 12-3 walloping of Houston. Fourth-place Milwaukee fell two games behind after a 6-5 loss to Philadelphia and fifth-place Pittsburgh remained four back with a 2-1 decision over St. Louis.

Mays hit a three-run homer in the second inning and connected with one man on in the eighth, lifting his career homer total to 498. Willie McCovey also homered for the Giants while Bob Bolin scattered nine Houston hits, bringing his record to 9-5 with his first complete game of the season.

Johnny Callison and Dick Stuart drove in five of the Phillies' runs, Callison stroking a run-producing single in the third inning and a two-run single in the seventh while Stuart hit a two-run homer in the fourth. Joe Torre and Hank Aaron hit solo homers for the Braves.

Bob Friend allowed the Cardinals only four hits, bringing his record to 7-11, while the Pirates broke a 1-1 tie in the seventh when Del Crandall lashed a double off Ray Sadecki and Gene Alley followed with a single. Sadecki struck out 13 in his seven-inning stint.

### Giant Star Has 498 Homers

## Willie Nearing 500 Club

SAN FRANCISCO (AP) — Willie Mays is on the verge of joining the exclusive 500-homer club with its membership of four, yet the San Francisco Giants' star center fielder's prime interest remains the hot pennant race in the National League.

Willie belted his 44th and 45th homers of the season Wednesday, driving in five runs as the Giants bombarded Houston 12-3 and retained the league lead they won Tuesday night at Los Angeles.

That made it 498 for Willie since he broke in with the Giants in New York back in 1951. Only Babe Ruth with 714, Jimmy Foxx, 534; Ted Williams, 521, and Mel Ott, 511, are over the 500 mark.

Ott holds the National League leadership, which Mays seems sure to top.

"These last 25 games are going to be real tough," said Mays, looking forward to the stretch drive.

He said he felt physically strong, but said he would need a little rest along the way.

"I think I can do the club better when I get a day off," he explained.

Manager Herman Franks has been giving the 34-year-old star periodic rests this season.

NOW LOOK UMP, Joe Pepitone of the Yankees seems to be saying with mouth wide open as he argues with plate umpire John Rice after the outfielder was called out on strikes in the second inning of Wednesday's game with Washington at New York. Rice won the argument as he threw Pepitone out of the game. (UPI Telephoto)

### Cananzi's Dogs Score Heavy In Recent Show

Koonoona Bobo, the champion silky terrier owned by Carmen Cananzi of Midland scored heavily in the Beaver Valley Kennel Club dog show at Brady's Run last weekend.

Bobo won the local group and finished third in the regular group in the Beaver show. At Kittanning, the terrier went best of breed and placed second in the toy group. Bobo has now accumulated 16 best of breeds.

Cananzi's Lylac Jane finished best of opposite in both the Beaver Valley and Kittanning shows.

## Ashe Claims He'll Beat Emerson In Next Match

FOREST HILLS, N.Y. (AP) — "I can beat Emerson," a confident Arthur Ashe said today as he contemplated his next assignment in the National Tennis Championships.

"I have matured a lot. I have found out that good players are not infallible. They make mistakes like anybody else.

"I figure if I go out there and play tennis — play my best — I can win, no matter how much on form Emerson is."

The 22-year-old Negro, born in Richmond, Va., and now living in Los Angeles, faces Australia's Roy Emerson, holder of the U.S, Wimbledon and Australian titles and rated the world's best amateur player, Friday in the quarter-finals.

Ashe believes the winner will go to the finals where he will find waiting for him a young outsider named Charlie Pasarell.

Ashe was impressive in eliminating Thomas Koch of Brazil 12-10, 13-11, 10-8.

Pasarell, the talented and unpredictable Puerto Rican who upset second-seeded Fred Stolle of Australia last Sunday, met Mexico's sixth-seeded Rafael Osuna in one of the two men's quarter-finals today.

Third-seeded Dennis Ralston of Bakersfield, Calif., and South Africa's Cliff Drysale played in the other.

The other half of the draw is in action Friday, with Emerson facing the fifth-seeded Ashe and Manuel Santana of Spain facing Antonio Palafox of Mexico, upset winner over seventh-seeded Chuck McKinley 9-7, 6-4, 8-6.

The women's quarter-finals will be completed, with Wimbledon champion Margaret Smith of Australia playing Justina Bricka of St. Louis in the feature match. Nancy Richey of Dallas, Tex., the top-ranked American, plays Tory Ann Fretz of Los Angeles.

Brazil's defending champion Maria Bueno, Britain's Ann Haydon Jones, Billie Jean Moffitt of Long Beach, Calif., and Mrs. Carole Graebner of Beechwood, Ohio, advanced Wednesday.

Emerson had to go all out Wednesday to beat Pierre Barthes of France 6-4, 13-11, 6-4. Ralston lost the first set and had to battle for his life before beating big Ron Holmberg 3-6, 6-3, 6-1, 6-8, 11-9 in the tournament's top thriller to date. Santana beat Marty Riessen 10-8, 6-1, 6-3.

In the other matches, Drysdale eliminated 42-year-old Vic Seixas 6-4, 6-4, 6-4. Osuna looked good in beating Ronald Barnes of Brazil 6-0, 6-4, 6-4. Pasarell breezed past Canada's left-handed Keith Carpenter 6-3, 6-3, 6-3.

## Defensive Strength Looms Big Question For Buckeyes

By JERRY LISKA
Associated Press Sports Writer

COLUMBUS, Ohio (AP)—College football's sojourn to near free substitution may have caught Ohio State's Woody Hayes with bobtailed platoons.

Offensively bristling, the Buckeyes must put their defensive eggs in one basket—the brilliant linebacking of seniors Tom Bugel and Dwight Kelley.

Hayes, conference coaching dean starting his 15th season, not only has his smallest Buckeye squad, 58 players, but also will have five sophomore starters on his defensive unit.

Most conference coaches are packing their best, most seasoned players into defensive array. But Hayes has only three seniors tabbed as defensive starters, compared with eight senior offensive starters.

"You don't go to the Kentucky Derby with a workhorse," commented Hayes about apparent concentration on his attacking unit which should improve over last season when the Bucks finished second in the Big Ten.

The Bucks start their nine-game schedule Sept. 25 here against North Carolina.

Hayes claims his defense last season was the best he ever had. But the Bucks lost a half dozen starters from that unit and it's up to the Bugel-Kelley linebacking duo, plus stellar middle guard Bill Ridder, to carry the defensive load this season.

Hayes predicts an improved Buckeye attack with his entire 1964 backfield returning, headed by quarterback Don Unverferth.

Also back is an all-letterman offensive line, anchored by 236-pound guard Doug Vanhorn; a 6-foot-5 pair, 239-pound tackle Dick Anderson and 225-pound end Greg Lashutka; and 220-pound guard Tom Andrick.

Hayes has shifted halfback Tom Barrington to alternate at fullback with equally seasoned Willard Sander, with both tabbed for defense as corner backs.

Bo Rein is a veteran at one halfback, but at the other Hayes has installed a senior non-letter winner, Nelson Adderly, cousin of the Green Bay Packers' Herb Adderly.

Hayes concedes his compact squad on which a half dozen players may wind up both-ways performers would do better under limited substitution.

"But I like the platoon system," he said. "However I think a smaller squad brings out better coaching and it's easier to determine your traveling squad which is limited to 38 players."

### Quarterback Walker Quits Buckeye Squad

COLUMBUS, Ohio (AP) — Sophomore quarterback Paul Walker Jr. of Middletown has quit the Ohio State University football team.

"He packed up and left for home and didn't show up for the afternoon practice," Coach Woody Hayes said Wednesday night.

### Bob Paremore First To Sign With Falcons

ATLANTA, Ga. (AP) — Former Florida A&M star Bob Paremore, one of football's speediest runners, is the first player announced as having signed a contract with the fledgling Atlanta Falcons of the National Football League.

Falcon owner Rankin Smith announced Paremore's signing, which becomes effective for the team's 1966 debut. Smith said other players have been signed recently but refused to reveal their identities.

## *Keane Receives Second Chance With New Pact*

NEW YORK (AP)—Manager Johnny Keane will be back next year but the same cannot be said for certain about two other New York Yankee standbys — second baseman Bobby Richardson and shortstop Tony Kubek.

At Wednesday's signing ceremonies in which Keane was retained for the 1966 season, the 53-year-old pilot acknowledged his awareness of Kubek's and Richardson's intention to retire at the end of the current season.

He added, however, "I won't believe it until I see it."

Richardson and Kubek have told teammates they are at least considering retirement. Third baseman Clete Boyer, like Keane, admitted he had heard both express those sentiments. Again, like Keane, he believes they will change their mind.

"Kubek has been afflicted with injuries a good part of the time this year," explained Keane. "He's had a frustrating time. It's only natural for a fellow in that frame of mind to feel the way he does. But I think after a winter's rest he will feel differently about things.

"As for Richardson, I've heard a word or two about his desire to spend more time with his family. But I don't accept that as definite."

In any event, Keane isn't taking any chances. Just in case Kubek and Richardson are serious about retiring, Keane plans to groom a couple of youngsters as replacements. They are Roy White, a second baseman, and Bobby Murcer, a shortstop.

# 12 Contests Mark First Weekend For District Gridders

## Wellsville Vs. Oak Glen In Main Attraction Friday Night

The chips go on the table this weekend as all district high school teams officially open the 1965 campaign with seven games on tap Friday and five contests scheduled Saturday.

The keenest local interest Friday night will be centered on the Oak Glen - Wellsville battle at the Tigers' Nicholson Stadium.

Oak Glen, got a jump on the district elevens, by opening last Friday with a 13-6 victory over Weirton Madonna.

Coach Ken Woods will be counting heavily on the running of all-District back Chris Thornton but the Tigers will have to stop the slants of a veteran Oak Glen backfield led by Marv Six and Dan Clark. Kick off for the opener at Wellsville is scheduled for 8 p. m.

—:—

**MIDLAND** carries a five-game winning streak from last season into its opener Friday night with Mohawk at Midland.

Under Coach Joe Cochran, the Leopards lost three and tied one of their first four games last season but came on strong to win the last five. Steve Alston, Joe Wuchina and Jimmy Smith will be carrying the backfield burden for the Leopards.

—:—

**STANTON** Local, one of the winningest teams in the district last season, opens at home against Hopedale while Ed Oliver sends his Southern Local squad against Greenford in a home opener for the Indians.

Two coaches make their debut Friday in Columbiana County as George Ceremuga who replaced Bud Bucher at Lisbon will see the Blue Devils in action for the first time at Carrollton and Bob James, the new Salem mentor, will test the Quakers against Cleveland Lincoln.

One other contest finds Dave Habeger's Crestview team visiting Mineral Ridge.

—:—

**EAST** Liverpool and Beaver Local open the doors on the 1965 campaign Saturday night at Patterson where over 5,000 fans are expected to be on hand for the inaugural.

The Potters finished on the winning side of a 44-0 outcome a year ago against the depleted forces of Beaver Local but the Beavers have shown an overall improved program.

East Liverpool will start the season with only six lettermen after losing 23 seniors from a 7-2-1 season in 1964.

Other Saturday battles finds afternoon games with Leetonia visiting United while Center Township plays at South Side. Hubbard will travel to Columbiana and East Palestine's new head coach Bill Offenbecher takes his Bulldogs to Canfield.

### *Oak Glen-Wellsville Tickets Are On Sale*

Reserved seat tickets for the Oak Glen - Wellsville game Friday night at Wellsville are on sale at McMorrows, Culp's, News and Gifts and Bloor's. Tickets are $1.25.

### District Grid Schedule

## Dodgers, Reds ½ Back, Pirates 4

By MIKE RATHET
Associated Press Sports Writer

Luck of the Irish?

Not for Jim O'Toole. Irish stew would be more appropriate.

O'Toole, who's been in a stew most of his career and all of this season, fashioned a four-hitter Wednesday night as the Cincinnati Reds crushed the New York Mets and moved to within one-half game of the National League lead.

It was O'Toole's first complete game since opening day and only his second victory of the year, but then inexplicable things happen to a guy who in the past has been kicked by a horse and rapped in the face by a paddle-tennis racquet — at a Jewish Center.

A 17-game winner in 1964, O'Toole pitched well enough in spring training to earn the opening day assignment and went out and pitched a complete game against Milwaukee. But he lost. He went out time and again but was unable to win until June 16 when he was credited with the victory in a game against the Mets.

He hadn't won since when he took a 1-9 record and a 6.82 earned run average into Wednesday's game against the Mets — and in the first inning was hit on his pitching hand by a pitch thrown by Darrell Sutherland.

"Everything just seemed to go wrong for me this season — like when he hit me on the hand," said O'Toole. "I thought: Holy smoke, there it goes, and I just wondered if I'd be able to throw the baseball the next inning."

He was, and eventually marched off the mound with the organist playing "When Irish Eyes are Smiling" and the Reds in a tie with the idle Los Angeles Dodgers for second place, one-half game behind front-running San Francisco.

The Giants remained on top as Willie Mays hammered his 44th and 45th homer and drove in five runs in a 12-3 walloping of Houston. Fourth-place Milwaukee fell two games behind after a 6-5 loss to Philadelphia and fifth-place Pittsburgh remained four back with a 2-1 decision over St. Louis.

Mays hit a three-run homer in the second inning and connected with one man on in the eighth, lifting his career homer total to 498. Willie McCovey also homered for the Giants while Bob Bolin scattered nine Houston hits, bringing his record to 9-5 with his first complete game of the season.

Johnny Callison and Dick Stuart drove in five of the Phillies' runs, Callison stroking a run-producing single in the third inning and a two-run single in the seventh while Stuart hit a two-run homer in the fourth. Joe Torre and Hank Aaron hit solo homers for the Braves.

Bob Friend allowed the Cardinals only four hits, bringing his record to 7-11, while the Pirates broke a 1-1 tie in the seventh when Del Crandall lashed a double off Ray Sadecki and Gene Alley followed with a single. Sadecki struck out 13 in his seven-inning stint.

### Giant Star Has 498 Homers

## Willie Nearing 500 Club

SAN FRANCISCO (AP) — Willie Mays is on the verge of joining the exclusive 500-homer club with its membership of four, yet the San Francisco Giants' star center fielder's prime interest remains the hot pennant race in the National League.

Willie belted his 44th and 45th homers of the season Wednesday, driving in five runs as the Giants bombarded Houston 12-3 and retained the league lead they won Tuesday night at Los Angeles.

That made it 498 for Willie since he broke in with the Giants in New York back in 1951. Only Babe Ruth with 714, Jimmy Foxx, 534; Ted Williams, 521, and Mel Ott, 511, are over the 500 mark.

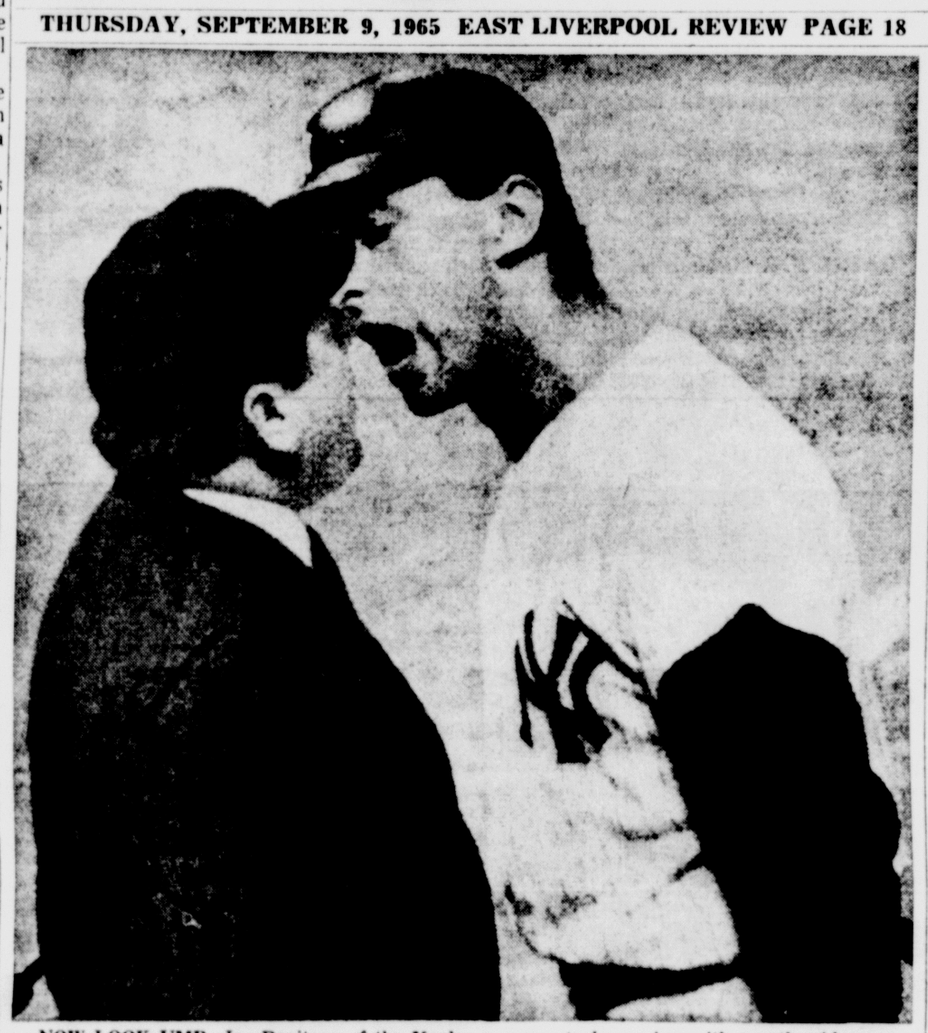
Ott holds the National League leadership, which Mays seems sure to top.

"These last 25 games are going to be real tough," said Mays, looking forward to the stretch drive.

He said he felt physically strong, but said he would need a little rest along the way.

"I think I can do the club better when I get a day off," he explained.

Manager Herman Franks has been giving the 34-year-old star periodic rests this season.



NOW LOOK UMP, Joe Pepitone of the Yankees seems to be saying with mouth wide open as he argues with plate umpire John Rice after the outfielder was called out on strikes in the second inning of Wednesday's game with Washington at New York. Rice won the argument as he threw Pepitone out of the game. (UPI Telephoto)

### Cananzi's Dogs Score Heavy In Recent Show

Koonoona Bobo, the champion silky terrier owned by Carmen Cananzi of Midland scored heavily in the Beaver Valley Kennel Club dog show at Brady's Run last weekend.

Bobo won the local group and finished third in the regular group in the Beaver show. At Kittanning, the terrier went best of breed and placed second in the toy group. Bobo has now accumulated 16 best of breeds.

Cananzi's Lylac Jane finished best of opposite in both the Beaver Valley and Kittanning shows.

## Ashe Claims He'll Beat Emerson In Next Match

FOREST HILLS, N.Y. (AP) — "I can beat Emerson," a confident Arthur Ashe said today as he contemplated his next assignment in the National Tennis Championships.

"I have matured a lot. I have found out that good players are not infallible. They make mistakes like anybody else.

"I figure if I go out there and play tennis — play my best — I can win, no matter how much on form Emerson is."

The 22-year-old Negro, born in Richmond, Va., and now living in Los Angeles, faces Australia's Roy Emerson, holder of the U.S, Wimbledon and Australian titles and rated the world's best amateur player, Friday in the quarter-finals.

Ashe believes the winner will go to the finals where he will find waiting for him a young outsider named Charlie Pasarell.

Ashe was impressive in eliminating Thomas Koch of Brazil 12-10, 13-11, 10-8.

Pasarell, the talented and unpredictable Puerto Rican who upset second-seeded Fred Stolle of Australia last Sunday, met Mexico's sixth-seeded Rafael Osuna in one of the two men's quarter-finals today.

Third-seeded Dennis Ralston of Bakersfield, Calif., and South Africa's Cliff Drysale played in the other.

The other half of the draw is in action Friday, with Emerson facing the fifth-seeded Ashe and Manuel Santana of Spain facing Antonio Palafox of Mexico, upset winner over seventh-seeded Chuck McKinley 9-7, 6-4, 8-6.

The women's quarter-finals will be completed, with Wimbledon champion Margaret Smith of Australia playing Justina Bricka of St. Louis in the feature match. Nancy Richey of Dallas, Tex., the top-ranked American, plays Tory Ann Fretz of Los Angeles.

Brazil's defending champion Maria Bueno, Britain's Ann Haydon Jones, Billie Jean Moffitt of Long Beach, Calif., and Mrs. Carole Graebner of Beechwood, Ohio, advanced Wednesday.

Emerson had to go all out Wednesday to beat Pierre Barthes of France 6-4, 13-11, 6-4. Ralston lost the first set and had to battle for his life before beating big Ron Holmberg 3-6, 6-3, 6-1, 6-8, 11-9 in the tournament's top thriller to date. Santana beat Marty Riessen 10-8, 6-1, 6-3.

In the other matches, Drysdale eliminated 42-year-old Vic Seixas 6-4, 6-4, 6-4. Osuna looked good in beating Ronald Barnes of Brazil 6-0, 6-4, 6-4. Pasarell breezed past Canada's left-handed Keith Carpenter 6-3, 6-3, 6-3.

# Minnesota Halts Rush Of White Sox With 3-2 Victory

## A's Campaneris Injured After Performing At Every Position

By MURRAY CHASS
Associated Press Sports Writer

For Minnesota there's consolidation, for New York there's elimination and for Bert Campaneris there's frustration.

That was the linescore following an historic night in the American League Wednesday.

The Minnesota Twins consolidated their position at the top of the league, driving back the on-rushing Chicago White Sox 3-2 and increasing their lead to six games.

The Yankees, meanwhile, edged Washington 6-5 but still were eliminated from pennant contention in this, their worst season in 40 years.

Then there was Campaneris. The versatile Kansas City youngster became the first player in modern major league history to play all nine positions in one game, but his play at two of them helped lead to the Athletics 5-3, 13-inning loss to California.

Not only that, Campaneris, who played a different position in each of the first nine innings, wasn't around at the finish. He left after the ninth with a shoulder injury.

The 23-year-old Cuban, who once pitched both right-handed and left-handed, started the game at shortstop. In succeeding innings he moved to second base, third base, left field, center field, right field, first base, pitcher and catcher.

Athletics' owner Charles O. Finley, who conceived the idea, even made Campaneris a $1 million player for the night. That's how much he insured him for — taking out the policy with four different companies at an undisclosed cost.

Campaneris, however, wasn't insured against errors and wildness. The error came in the sixth inning while he was playing right field. With two out and Albie Pearson at first base, Jim Fregosi lofted a fly to right-center.

Campaneris got under the fly, but the ball bounced out of his glove, allowing Pearson to score the run that broke a 1-1 tie.

Then, as a pitcher in the eighth, Campaneris walked two men on eight straight balls, then threw two more balls to Joe Adcock before he singled for another run.

Finally, there was his ninth-inning job — catching. Ed Kirkpatrick stole second on him, but Campaneris nailed him at the plate when he tried to steal home. Kirkpatrick knocked Campaneris over, and a brief tussle ensued. It was on that play that the all-around Athletic hurt his left shoulder.

In other AL games, Baltimore defeated Detroit 2-0 before having its eight-game winning streak stopped 5-0 and Boston trimmed Cleveland 5-3 in 10 innings.

Jim Grant stopped the White Sox on four hits for his 18th victory against five defeats while Jimmie Hall provided Minnesota's winning margin with a two-run homer in the seventh inning, his first since Aug. 2.

The Yankees, who had won a record-tying five straight pennants, went down fighting. Elston Howard's run-scoring single with two out in the ninth won it for the Yankees, who also got a three-run homer from Ray Barker in the fifth. Willie Kirkland, Don Lock and Ken McMullen homered for Washington.

The Angels finally downed Kansas City with two runs in the 13th, Bobby Knoop scoring the tie-breaker on pitcher John O'Donoghue's two-base throwing error. The Athletics tied the game in the ninth on run-scoring singles by Ken Harrelson and Dick Green.

Baltimore's Bob Johnson hit a two-run homer in the ninth inning of the first game, giving Steve Barber his 13th victory. The hit was only the fourth off Detroit's Hank Aguirre.

Dave Wickersham pitched the Tigers to the second-game triumph, limiting the third-place Orioles to three hits. Don Wert provided a three-run homer in the sixth.

Fred Whitfield's two-run homer in the ninth inning pulled Cleveland into a 3-3 tie, but Boston won in the 10th as Tony Horton socked a two-run homer.

### Middleton Club Slates Family Event Sunday

NEGLEY — The Middleton Township Fish and Game Club Wednesday completed plans for the first annual family picnic Saturday at the Wayne Dillon farm east of Clarkson.

A current membership drive has been extended to Oct. 1. No new members will be accepted after that until hunting season is over, Robert Taylor, president, said.

Some 700 acres woodland and farm land are under lease in the township where some 200 pheasants will be released in November. Six dozen rabbits were released in the spring.

The first of a series of ham and turkey shoots will begin Sunday at the club grounds along Route 154 just west of here.

Jacinto Vasquez turned in the best riding feat at Monmouth Park's 1965 meeting by winning five races on July 16.

Monmouth Park has turned over to New Jersey $9,611,946 as the state's share of 1965 racing at the Oceanport, N.J., track.

## Player Shows Best Average At Firestone

AKRON, Ohio (AP) — Gary Player has the best World Series of Golf average at the Firestone Country Club, where he once remarked you could almost hear the rough growing.

The 7,165-yard, par-70 course has a prerequisite for accuracy and Player has averaged 71.4 strokes per round in 18 rounds at the club. This weekend he'll be one of a select foursome who will shoot 36 holes for a total purse of $77,500.

Jack Nicklaus, Masters' champ, has averaged 72 strokes a round at Firestone for 24 rounds. He is the favorite against Player, U.S. Open champ, Peter Thomson, British Open titlist and Dave Marr, PGA champ.

Marr and Thomson are newcomers to the World Series tourney, which Nicklaus has won twice in the last three years. The Series is only for winners of the four major tournaments.

Top series prize is $50,000, with $15,000 for second place money, $7,500 for third and $5,000 for fourth.

Nicklaus won in 1962 and 1963 but did not qualify last year and Tony Lema walked off with the title. It was in 1962 that Player, while waiting for a shot, said he was sure he could hear grass growing in the rough.

Play in the World Series will begin at 12 noon, EST, each day, including the practice round Friday. The final six holes on Saturday and Sunday will be televised (NBC) from 4 to 5:30 p.m., EST.

### Yesterday's Stars

BATTING — Willie Mays, San Francisco, rapped his 44th and 45th homers plus a single, driving in five runs, as the Giants walloped Houston 12-3 and took a one-half game lead in the National League.

PITCHING — Dave Wickersham, Detroit, pitched a three-hitter as the Tigers whipped Baltimore 5-0 in the second game of a doubleheader, halting the Orioles' eight-game winning streak.

## *Winners Listed For August Play In Ladies Golf*

Winners during August have been announced for the East Palestine Country Club's Women's Golf League.

In the Aug. 3 event of low score on even holes, Helen Sanford won the first flight, Pearl Scott, the second flight and Vivian Ward, third flight.

On Aug. 10, Mary Sisley won the longest putt on No. 3 while the Aug. 17 point system event showed Pat Burns winning the first flight, Gene Smith, second flight and Mabel Bush, third flight.

The nearest to the pin on No. 2 was Clara Archibald for the Aug. 24 play. The longest drive on No. 9 featured the Aug. 31 golfing with Betty Shields winning the first flight, Jean Smith, second flight and Vivian Ward, third flight.

# Minnesota Halts Rush Of White Sox With 3-2 Victory

## A's Campaneris Injured After Performing At Every Position

By MURRAY CHASS
Associated Press Sports Writer

For Minnesota there's consolidation, for New York there's elimination and for Bert Campaneris there's frustration.

That was the linescore following an historic night in the American League Wednesday.

The Minnesota Twins consolidated their position at the top of the league, driving back the on-rushing Chicago White Sox 3-2 and increasing their lead to six games.

The Yankees, meanwhile, edged Washington 6-5 but still were eliminated from pennant contention in this, their worst season in 40 years.

Then there was Campaneris. The versatile Kansas City youngster became the first player in modern major league history to play all nine positions in one game, but his play at two of them helped lead to the Athletics 5-3, 13-inning loss to California.

Not only that, Campaneris, who played a different position in each of the first nine innings, wasn't around at the finish. He left after the ninth with a shoulder injury.

The 23-year-old Cuban, who once pitched both right-handed and left-handed, started the game at shortstop. In succeeding innings he moved to second base, third base, left field, center field, right field, first base, pitcher and catcher.

Athletics' owner Charles O. Finley, who conceived the idea, even made Campaneris a $1 million player for the night. That's how much he insured him for — taking out the policy with four different companies at an undisclosed cost.

Campaneris, however, wasn't insured against errors and wildness. The error came in the sixth inning while he was playing right field. With two out and Albie Pearson at first base, Jim Fregosi lofted a fly to right-center.

Campaneris got under the fly, but the ball bounced out of his glove, allowing Pearson to score the run that broke a 1-1 tie.

Then, as a pitcher in the eighth, Campaneris walked two men on eight straight balls, then threw two more balls to Joe Adcock before he singled for another run.

Finally, there was his ninth-inning job — catching. Ed Kirkpatrick stole second on him, but Campaneris nailed him at the plate when he tried to steal home. Kirkpatrick knocked Campaneris over, and a brief tussle ensued. It was on that play that the all-around Athletic hurt his left shoulder.

In other AL games, Baltimore defeated Detroit 2-0 before having its eight-game winning streak stopped 5-0 and Boston trimmed Cleveland 5-3 in 10 innings.

Jim Grant stopped the White Sox on four hits for his 18th victory against five defeats while Jimmie Hall provided Minnesota's winning margin with a two-run homer in the seventh inning, his first since Aug. 2.

The Yankees, who had won a record-tying five straight pennants, went down fighting. Elston Howard's run-scoring single with two out in the ninth won it for the Yankees, who also got a three-run homer from Ray Barker in the fifth. Willie Kirkland, Don Lock and Ken McMullen homered for Washington.

The Angels finally downed Kansas City with two runs in the 13th, Bobby Knoop scoring the tie-breaker on pitcher John O'Donoghue's two-base throwing error. The Athletics tied the game in the ninth on run-scoring singles by Ken Harrelson and Dick Green.

Baltimore's Bob Johnson hit a two-run homer in the ninth inning of the first game, giving Steve Barber his 13th victory. The hit was only the fourth off Detroit's Hank Aguirre.

Dave Wickersham pitched the Tigers to the second-game triumph, limiting the third-place Orioles to three hits. Don Wert provided a three-run homer in the sixth.

Fred Whitfield's two-run homer in the ninth inning pulled Cleveland into a 3-3 tie, but Boston won in the 10th as Tony Horton socked a two-run homer.

## Middleton Club Slates Family Event Sunday

NEGLEY — The Middleton Township Fish and Game Club Wednesday completed plans for the first annual family picnic Saturday at the Wayne Dillon farm east of Clarkson.

A current membership drive has been extended to Oct. 1. No new members will be accepted after that until hunting season is over, Robert Taylor, president, said.

Some 700 acres woodland and farm land are under lease in the township where some 200 pheasants will be released in November. Six dozen rabbits were released in the spring.

The first of a series of ham and turkey shoots will begin Sunday at the club grounds along Route 154 just west of here.

Jacinto Vasquez turned in the best riding feat at Monmouth Park's 1965 meeting by winning five races on July 16.

Monmouth Park has turned over to New Jersey $9,611,946 as the state's share of 1965 racing at the Oceanport, N.J., track.

## Player Shows Best Average At Firestone

AKRON, Ohio (AP) — Gary Player has the best World Series of Golf average at the Firestone Country Club, where he once remarked you could almost hear the rough growing.

The 7,165-yard, par-70 course has a prerequisite for accuracy and Player has averaged 71.4 strokes per round in 18 rounds at the club. This weekend he'll be one of a select foursome who will shoot 36 holes for a total purse of $77,500.

Jack Nicklaus, Masters' champ, has averaged 72 strokes a round at Firestone for 24 rounds. He is the favorite against Player, U.S. Open champ, Peter Thomson, British Open titlist and Dave Marr, PGA champ.

Marr and Thomson are newcomers to the World Series tourney, which Nicklaus has won twice in the last three years. The Series is only for winners of the four major tournaments.

Top series prize is $50,000, with $15,000 for second place money, $7,500 for third and $5,000 for fourth.

Nicklaus won in 1962 and 1963 but did not qualify last year and Tony Lema walked off with the title. It was in 1962 that Player, while waiting for a shot, said he was sure he could hear grass growing in the rough.

Play in the World Series will begin at 12 noon, EST, each day, including the practice round Friday. The final six holes on Saturday and Sunday will be televised (NBC) from 4 to 5:30 p.m., EST.

# Collier Eyes New Faces In Last Warmup

CLEVELAND (AP) — Cleveland Browns Coach Blanton Collier plans to take a final look at some of his promising newcomers when the National Football League champs meet the Pittsburgh Steelers in the final exhibition season game for both teams Saturday night in Akron.

"We still have to give some of the new men work," Collier said Wednesday night. "That group certainly includes Erich Barnes. Also Jim Garcia and Walter Johnson."

Garcia is a rookie defensive end from Purdue and Johnson a first-year defensive tackle from Los Angeles State. Barnes, an all-pro defensive back acquired in a recent trade with the New York Giants, is working out at the strongside safety.

Barnes got his first test as a member of the Browns in the 30-14 loss to the Green Bay Packers last Saturday night. "He made some mistakes," Collier said, "but all-in-all played well."

The Browns cut their roster to 41 Wednesday by trading offensive tackle Roger Shoals to the Detroit Lions for a future undisclosed draft choice.

One more member of the club must be cut before next Tuesday.

# Heavy Injuries Plague Tulsa Football Squad

By NORMAN ROWLAND
Associated Press Sports Writer

TULSA, Okla. (AP) — Tulsa Coach Glenn Dobbs, whose football team has been dealt a treacherous blow by injuries, isn't about to throw in the towel.

"I have to be optimistic," Dobbs said. "I just don't see how I can get the boys ready to play if I'm constantly harping on our bad luck. I teach them that injuries occur and somebody else just has to get up and go."

The Hurricane, which meets Houston in a nationally televised game Saturday from Houston's Astrodome, has had only one full-scale scrimmage since beginning practice because of the deluge of injuries.

Two players, No. 1 defensive end Dan Pavlak and safety Jimmy Hall, are definitely out for the season. Pavlak underwent knee surgery and Hall had shoulder surgery. Both were hurt since practice started.

Two others, reserve quarterback Glenn Dobbs III and starting wingback Brent Roberts, had knee surgery last week. Dobbs said they might be able to play by mid-season.

Off-season knee operations that failed to heal properly have delayed the return to action of first-string tailback Bob Daugherty, credited by Dobbs last season with supplying the running threat that made Tulsa's passing attack dangerous, and fullback Jim Brown, who had been considered a good bet to start.

# WBA Heavy King And Co-Manager Sever Relations

TORONTO (AP) — Ernie Terrell will have one less advisor in his corner when he defends his World Boxing Association heavyweight title in Toronto — possibly next month — against Canada's George Chuvalo.

The Chicago fighter reportedly signed to meet Chuvalo, the Canadian champion from Toronto, Wednesday although neither Terrell, Chuvalo nor their representatives were available for comment.

In New York, Big Julie Isaacson, one of Terrell's comanagers, announced he is parting ways with the WBA champ.

"I wanted him to fight Chuvalo as part of a doubleheader with the Cassius Clay-Floyd Patterson fight in Las Vegas," Isaacson said. "If Ernie wants to do things his way without consulting me, then he can do it all without me. All he has to do is buy me out."

# Saxbe Urges Johns Quit At Central State

COLUMBUS, Ohio (AP) — Atty. Gen. William B. Saxbe has urged that Harry G. Johns resign as business manager of Central State University as a result of an audit which showed thousands of dollars unpaid by faculty members to the school cafeteria and uncollected tuition fees among other irregularities.

Saxbe stressed, however, that the report by the state auditor's office had noted no criminal acts. He added that the school was undertaking a separate audit at the request of trustees.

The audit showed improper admission of students in addition to the financial irregularities.

The attorney general said he plans to confer Friday or Monday with John H. Bustamante, Cleveland, president of the Central State Trustees; Robert Duncan, Saxbe's chief counsel, and John M. Wilcoxson of the State Auditor's Office.

Saxbe also said a report that he urged closing of the predominantly Negro school stemmed from the facetious remark made in a telephone conversation overheard by a newsman. He pointed out that only the legislature could close the institution, but asserted that the school was plagued with defacto segregation.

## Hearing Slated Friday For Car License Case

Municipal Judge Samuel M. Chertoff today granted a continuance until Friday afternoon in a hearing for Joseph A. Cochran, 19, of Oakmont, charged with driving an auto with illegal registration.

Cochran pleaded guilty today on the charge, filed by Patrolman Karl W. Samples after the defendant's arrest Wednesday at 7:19 p. m. on McKinnon Ave. Cochran verified the officer's report that the Oakmont youth was driving a 1956 car owned by his brother but using a plate issued to Cochran for a 1954 model auto.

Cochran told the judge he bought the car from his brother, but the title has not been transferred. The judge granted the continuance to allow Cochran to obtain proper registration.

# Jets To Face Toronto In IL Playoff

SYRACUSE, N.Y. (AP)—The Columbus Jets, fresh from bombing the Syracuse Chiefs 13-4, face third-place Toronto tonight in the International League Governors' Cup playoffs.

The Jets eliminated the fourth-place Chiefs Wednesday night in a romp sparked by Jerry May's grand-slam home run that topped off a five-run first inning.

The Jets took the series four games to two.

A two-run homer by Johnny Powers gave the pennant winners a pair of insurance runs in the second.

Ex-Chief Ed Hobaugh picked up his second relief victory of the series.

The Jets will be at Toronto for the first three games of their series. The remainder will be played in Columbus.

# Board Given Fair Reports

LISBON — Reports of the Columbiana County Fair Aug. 25-29 were heard Wednesday night at a meeting of the county fair board at the office on the fairgrounds.

A key report was submitted about a state survey made by John Hobbler of Delroy, a state inspector who was on the grounds every day during the fair.

Hoobler commented that the outstanding features of the fair were livestock and home projects, the bandarama of county school bands Sunday afternoon and the junior fair exhibits. He felt those features made it a well-rounded fair.

Also submitting a report was Robert Lewis, county extension agent in 4-H. Lewis thanked the board for the support and cooperation given the junior fair.

The annual election of board members will be held Oct. 6 from 11 a. m. to 5 p. m. at the fair grounds. Terms of Ike Skeels of Lisbon R. D. 4, Fred Schoeni of Beloit R. D. 1, and Dick Stockman of 157 Sherman St. are expiring.

Filing petitions for re-election are Stockman and Skeels. Others filing petitions are Roland Stryffeler of Beloit R. D. 2 and Donald Sanor of Salem R. D. 2, both representing Butler Township.

Petitions are available from the secretary, Mrs. Velma Cope, and must be filed by Sept. with membership may file.

## CD Unit Reports On Benefit Sale

A report on the sale of fire extinguishers was given by Harry Reckner at a meeting of the St. Clair Township Civil Defense organization Wednesday night at the Glenmoor fire station.

Reckner said 14 extinguishers had been sold to date and explained that proceeds will go for the purchase of coats, hats and boots for members of the defense unit.

He said anyone wishing to purchase one of the two and three-quarter pound, dry chemical units could telephone him at 385-1943, or contact Donald Parsons, chief, at the Community Parking lot.

Parsons presided at the meeting. The next meeting will be Wednesday at 7:30 at the fire station.

## ANNOUNCEMENTS

### 3 CARDS OF THANKS

Katharine Johnson Smoot — In appreciation: I wish to express my heartfelt thanks and appreciation to all those who assisted in any way during the long illness and death of my sister, those who visited her and sent food, flowers, gifts and cards to make her life more pleasant. The kind relatives and friends for their generous donations, the beautiful floral offerings, also the West End neighbors, many of whom I do not know. I wish to use this way of reaching everyone who was so helpful at a most difficult time. I do thank you. Maxine Johnson Barnes.

We wish to thank our many friends and neighbors for their kindness and expressions of sympathy at the time of the death of our beloved husband and father. — Mrs. Robert Ebert, Mr. and Mrs. Alfred Pierson, and Mr. and Mrs. John Ebert.

# Collier Eyes New Faces In Last Warmup

CLEVELAND (AP) — Cleveland Browns Coach Blanton Collier plans to take a final look at some of his promising newcomers when the National Football League champs meet the Pittsburgh Steelers in the final exhibition season game for both teams Saturday night in Akron.

"We still have to give some of the new men work," Collier said Wednesday night. "That group certainly includes Erich Barnes. Also Jim Garcia and Walter Johnson."

Garcia is a rookie defensive end from Purdue and Johnson a first-year defensive tackle from Los Angeles State. Barnes, an all-pro defensive back acquired in a recent trade with the New York Giants, is working out at the strongside safety.

Barnes got his first test as a member of the Browns in the 30-14 loss to the Green Bay Packers last Saturday night. "He made some mistakes," Collier said, "but all-in-all played well."

The Browns cut their roster to 41 Wednesday by trading offensive tackle Roger Shoals to the Detroit Lions for a future undisclosed draft choice.

One more member of the club must be cut before next Tuesday.

# *Heavy Injuries Plague Tulsa Football Squad*

By NORMAN ROWLAND
Associated Press Sports Writer

TULSA, Okla. (AP) — Tulsa Coach Glenn Dobbs, whose football team has been dealt a treacherous blow by injuries, isn't about to throw in the towel.

"I have to be optimistic," Dobbs said. "I just don't see how I can get the boys ready to play if I'm constantly harping on our bad luck. I teach them that injuries occur and somebody else just has to get up and go."

The Hurricane, which meets Houston in a nationally televised game Saturday from Houston's Astrodome, has had only one full-scale scrimmage since beginning practice because of the deluge of injuries.

Two players, No. 1 defensive end Dan Pavlak and safety Jimmy Hall, are definitely out for the season. Pavlak underwent knee surgery and Hall had shoulder surgery. Both were hurt since practice started.

Two others, reserve quarterback Glenn Dobbs III and starting wingback Brent Roberts, had knee surgery last week. Dobbs said they might be able to play by mid-season.

Off-season knee operations that failed to heal properly have delayed the return to action of first-string tailback Bob Daugherty, credited by Dobbs last season with supplying the running threat that made Tulsa's passing attack dangerous, and fullback Jim Brown, who had been considered a good bet to start.

## *WBA Heavy King And Co-Manager Sever Relations*

TORONTO (AP) — Ernie Terrell will have one less advisor in his corner when he defends his World Boxing Association heavyweight title in Toronto — possibly next month — against Canada's George Chuvalo.

The Chicago fighter reportedly signed to meet Chuvalo, the Canadian champion from Toronto, Wednesday although neither Terrell, Chuvalo nor their representatives were available for comment.

In New York, Big Julie Isaacson, one of Terrell's comanagers, announced he is parting ways with the WBA champ.

"I wanted him to fight Chuvalo as part of a doubleheader with the Cassius Clay-Floyd Patterson fight in Las Vegas," Isaacson said. "If Ernie wants to do things his way without consulting me, then he can do it all without me. All he has to do is buy me out."

# Saxbe Urges Johns Quit At Central State

COLUMBUS, Ohio (AP) — Atty. Gen. William B. Saxbe has urged that Harry G. Johns resign as business manager of Central State University as a result of an audit which showed thousands of dollars unpaid by faculty members to the school cafeteria and uncollected tuition fees among other irregularities.

Saxbe stressed, however, that the report by the state auditor's office had noted no criminal acts. He added that the school was undertaking a separate audit at the request of trustees.

The audit showed improper admission of students in addition to the financial irregularities.

The attorney general said he plans to confer Friday or Monday with John H. Bustamante, Cleveland, president of the Central State Trustees; Robert Duncan, Saxbe's chief counsel, and John M. Wilcoxson of the State Auditor's Office.

Saxbe also said a report that he urged closing of the predominantly Negro school stemmed from the facetious remark made in a telephone conversation overheard by a newsman. He pointed out that only the legislature could close the institution, but asserted that the school was plagued with defacto segregation.

## Hearing Slated Friday For Car License Case

Municipal Judge Samuel M. Chertoff today granted a continuance until Friday afternoon in a hearing for Joseph A. Cochran, 19, of Oakmont, charged with driving an auto with illegal registration.

Cochran pleaded guilty today on the charge, filed by Patrolman Karl W. Samples after the defendant's arrest Wednesday at 7:19 p. m. on McKinnon Ave. Cochran verified the officer's report that the Oakmont youth was driving a 1956 car owned by his brother but using a plate issued to Cochran for a 1954 model auto.

Cochran told the judge he bought the car from his brother, but the title has not been transferred. The judge granted the continuance to allow Cochran to obtain proper registration.

# *Jets To Face Toronto In IL Playoff*

SYRACUSE, N.Y. (AP)—The Columbus Jets, fresh from bombing the Syracuse Chiefs 13-4, face third-place Toronto tonight in the International League Governors' Cup playoffs.

The Jets eliminated the fourth-place Chiefs Wednesday night in a romp sparked by Jerry May's grand-slam home run that topped off a five-run first inning.

The Jets took the series four games to two.

A two-run homer by Johnny Powers gave the pennant winners a pair of insurance runs in the second.

Ex-Chief Ed Hobaugh picked up his second relief victory of the series.

The Jets will be at Toronto for the first three games of their series. The remainder will be played in Columbus.

# Board Given Fair Reports

LISBON — Reports of the Columbiana County Fair Aug. 25-29 were heard Wednesday night at a meeting of the county fair board at the office on the fairgrounds.

A key report was submitted about a state survey made by John Hobbler of Delroy, a state inspector who was on the grounds every day during the fair.

Hoobler commented that the outstanding features of the fair were livestock and home projects, the bandarama of county school bands Sunday afternoon and the junior fair exhibits. He felt those features made it a well-rounded fair.

Also submitting a report was Robert Lewis, county extension agent in 4-H. Lewis thanked the board for the support and cooperation given the junior fair.

The annual election of board members will be held Oct. 6 from 11 a. m. to 5 p. m. at the fair grounds. Terms of Ike Skeels of Lisbon R. D. 4, Fred Schoeni of Beloit R. D. 1, and Dick Stockman of 157 Sherman St. are expiring.

Filing petitions for re-election are Stockman and Skeels. Others filing petitions are Roland Stryffeler of Beloit R. D. 2 and Donald Sanor of Salem R. D. 2, both representing Butler Township.

Petitions are available from the secretary, Mrs. Velma Cope, and must be filed by Sept. with membership may file.

## CD Unit Reports On Benefit Sale

A report on the sale of fire extinguishers was given by Harry Reckner at a meeting of the St. Clair Township Civil Defense organization Wednesday night at the Glenmoor fire station.

Reckner said 14 extinguishers had been sold to date and explained that proceeds will go for the purchase of coats, hats and boots for members of the defense unit.

He said anyone wishing to purchase one of the two and three-quarter pound, dry chemical units could telephone him at 385-1943, or contact Donald Parsons, chief, at the Community Parking lot.

Parsons presided at the meeting. The next meeting will be Wednesday at 7:30 at the fire station.

## ANNOUNCEMENTS

### 3 CARDS OF THANKS

Katharine Johnson Smoot — In appreciation: I wish to express my heartfelt thanks and appreciation to all those who assisted in any way during the long illness and death of my sister, those who visited her and sent food, flowers, gifts and cards to make her life more pleasant. The kind relatives and friends for their generous donations, the beautiful floral offerings, also the West End neighbors, many of whom I do not know. I wish to use this way of reaching everyone who was so helpful at a most difficult time. I do thank you. Maxine Johnson Barnes.

We wish to thank our many friends and neighbors for their kindness and expressions of sympathy at the time of the death of our beloved husband and father. — Mrs. Robert Ebert, Mr. and Mrs. Alfred Pierson, and Mr. and Mrs. John Ebert.

## Junior Editors Quiz on TOADS

*QUESTION: What is the difference between a frog and a toad?*

★ ★ ★

**ANSWER:** Frogs and toads have slight differences rather than great ones. They both belong to the group of tailless amphibians, and their structure is very similar. They also have blending features. For example, frogs have webbed feet and most toads don't yet there is a kind of toad which does have webbed feet.

In general, toads (1) have warty skins, live on land and are plumper than frogs. They are slower and have larger eyes. Frogs (2) have smoother skins and like water or wet places, like the familiar bullfrog which we illustrate. The spadefoot toad (3) is less warty than others, likes to dig himself backwards into the earth with his heavy rear feet. The delicate little spring peeper (4) inflates a sac under his chin to produce his cheerful sound. Tadpoles of toads (5) and frogs, (lower and right,) are hard to tell apart. One difference between frogs and toads is that if an enemy approaches a toad, he closes his eyes and tries to push the enemy away with his feet. But the frog has wonderfully developed hind legs, and if you try to catch him he takes to the air (6) and generally gets away.

★ ★ ★

**FOR YOU TO DO:** Toads secrete a poisonous fluid from their warts, but this does not produce warts on a human being, as is often supposed. Toads have long tongues which they use for catching insects. See if you can sneak upon a feeding toad and watch him do this.

*QUESTION: What is the difference between a frog and a toad?*

★ ★ ★

**ANSWER:** Frogs and toads have slight differences rather than great ones. They both belong to the group of tailess amphibians, and their structure is very similar. They also have blending features. For example, frogs have webbed feet and most toads don't yet there is a kind of toad which does have webbed feet.

In general, toads (1) have warty skins, live on land and are plumper than frogs. They are slower and have larger eyes. Frogs (2) have smoother skins and like water or wet places, like the familiar bullfrog which we illustrate. The spadefoot toad (3) is less warty than others, likes to dig himself backwards into the earth with his heavy rear feet. The delicate little spring peeper (4) inflates a sac under his chin to produce his cheerful sound. Tadpoles of toads (5) and frogs, (lower and right,) are hard to tell apart. One difference between frogs and toads is that if an enemy approaches a toad, he closes his eyes and tries to push the enemy away with his feet. But the frog has wonderfully developed hind legs, and if you try to catch him he takes to the air (6) and generally gets away.

★ ★ ★

**FOR YOU TO DO:** Toads secrete a poisonous fluid from their warts, but this does not produce warts on a human being, as is often supposed. Toads have long tongues which they use for catching insects. See if you can sneak upon a feeding toad and watch him do this.

## Soviet Accuses U.S. Of Blocking A-Treaty

GENEVA (AP) — The Soviet Union accused the United States today of blocking agreement on a treaty to ban underground nuclear tests in order to continue development of its own tactical nuclear arms.

Soviet delegate Semyon K. Tsarapkin told the 17-nation disarmament conference Western insistence on an inspection system to police such a ban is merely designed "to camouflage the United States real intention — that is to bar any agreement in their field."
